'.....'

pyaari si muskaan
pyara sa chehra
pyaari si aankhein
pyaari pyaari baatein
baaton mein masti
masti mein apnapan
apnepan mein pyaar
pyaar mein dosti.....

.....

kuchh hasaraton ko raastein miltey hain,
kuchh chahton ko manzilein milti hain,
kuchh yaadon ko sahara milta hai,

kuchh.....
bas yunhi bhataktey phirtey hain.

Aisa Nahin Ki Koshish Nahi Ki

Har saans par tera nam likha hai maine
har hansii par tera naam likha hai maine
har pal yaad kiya hai maine
har pal bhulaya hai maine
Aisa nahi ki koshish nahin ki
par kya baton jitana bhulaya
ussey jyada toot ke yaad kiya hai maine
kuchh paaya nahi phir bhi sab kho diya hai maine
bas ummedein bachi hain yaadein bachi hain
lamhein bache hain raastey bachey hain
kyoon har mod pe dil palat jaata hai
kyoon har aahat pe machal jaata hai
aisa nahi ki koshish nahin ki
har dua mein tujhe maanga hai maine
har raat ke baad har subah ka intezaar kiya hai maine
kaash! kuchh naya hoga, kuchh achha hoga
kuchh to mere dil ke mutabik hoga
aas tooti nahi hai
aisa nahin ki koshish nahin ki
har aansoon ko piya hai har dard ko chhupaya hai maine
dil ko manaya hai behlaya hai maine
par koi bhi baat dil samajh paya nahi hai
toh khud ko bharosa dilaya hai maine
aisa nahi hai ki koshish nahi ki
tere faisale ko mana nahi hai maine
par kya baton tune mujhe uske siwa koi doosara raasta dikhaya nahi hai
kya tere faisale ko mann loon, to kya tu khush hoga
to jaa aaj tere faisale par sir jhukaya hai maine
nahi isko meri haar na samajh ya mera ikrar na samajh
bas kya bataon teri khushi par marne ka irada banaya hai maine
teri khushi par toot ke bikhar jaane ka irada banaya hai maine
aisa nahin ki koshish nahin ki...
har koshish mukammal ho.....
.....shayad ye zaruri to nahin.

Badal-tey Mausam

waqt badal jaata hai
raaste-y badal jaate-y hain
log badal jaate-y hain
rishte-y badal jaate-y hain
nahin badalta kuchh to kismat aur
halaat jo bas waise ke waise reh jaate-y hain.

Dosti

Dosti karna samajhate hain sab zaruri
hai sabko ek dost ki chahat, magar
jaanate nahi maane dosti ke
dost ko bhulate kaam nikal jaane ke baad,
yaad aati hai unki dubara padane par zarurat
ahsaan lekar bhool wo hain jaate, ki
kabhi koi unka dost bhi tha chahat bhi aur zarurat bhi.

Hum - Tum

Aaj unse milkar laga yun ki
milein ho sadiyon baad jaise hum
lekin is beech bhi jaise bahut kareeb the
hum tum ek duje ke
pata nahi kyon dil machalta tha
milane ko tumse jabaki rehate the
dil ke hi kareeb tum hardum
diwaron pe tasveer banati hoon main
yaad karke wo din jab milate the hum tum.

Jhalak

Socha tha unse ab na milenge hum
par kya karein jhalak paane ko bhi taras jaatein hain ab to
aawaaz sunkar baichaini badhati hai aise ki
jhalak paane ko taras jaateyin hain hum
kadamon ki aahat pehchantey hain hum
phir bhi kisi aur ke kadamon ko unka
maan jhalak paane ko taras jaatey hain hum
milane se pehele kayi baatein sochatey hain
karne ki par paatey hi unki jhalak
sab kuchh bhool jaatey hain hum.

Kavita Ke Liye Ek Kavita

Aankhon mein shararat
honthon pe hasin
har ishare ko bhaanp lena
baaton mein baat samajh lena
haathon mein haath lekar chalna.....

har mod pe
manzil ke paas hone ka ehsaas kara dena
naumeed hone pe yakayak
koi roshani thama jana
door hokar bhi saath rehna.....

aasan nahi tha raasta
magar phir bhi har mushkil ko haraya
aapse milkar zindagi ne bahut kuchh sikhaya.

Lamhe

Kuchh Lamhe yaadein bankar zindagi ko mehkatein hain
Kuchh lamhe hain jo zindagi bhar yaad aatey hain
In lamhon mein hum zindagi jee letey hain
Inhi lamhon mein zindagi guzarane ka faisala kar jaatey hain
Kuchh lamhon ki khata hi to hoti hai
lekin phir bhi hum unhe bhool kahan paatey hain.
har lamha us ek lamhe ke liye tadapte hain
lekin aisa hota kahan hai ki
wo lamha khud ko dohara jaaye....
tabhi to us ek lamhe ki itani ehmiyat hoti hai.

Mayna Ke Naam

o pyaari mayna
aise hi chahkte rehna
bade chanchal hain tere do naina
jyada kaam mat karna
kahin beet naa jaaye ye
haseen raina

Tumhare Bina...

Tumhe paa to sakti nahi
tumhe kho bhi sakti nahi
tumhe apna bana chuki hoon
par tumhari ho bhi sakti nahi

Umeed.....

umeed.....: Mana manzil bahut mushkil hai
raasta bhi aasan nahi
saath humara hai
ghabrana nahin
mana sab bahut seedha samajhate hain
par kisi ko is sadagi ka fayda uthane dena nahin
mushkilein apne aap raasta dikhayegi
aap bas apna hosla khona nahin
deekhana hai zamane ko ki
kitna bhi soche wo humein kamzor
hum unke iradon se ghabraaye nahin
paayenge wo uchayiyan jiski humne tamanna ki.

Zindagi

Kyoon har mod par ek sawal
samane la deti hai zindagi
kyoon har shaam ke baad sawera
sawere ke baadd shaam aur
andhera hi andhera samane laa deti hai zindagi
mana har sawal ka jawab hota hai
har andhere ki roshani aur shaam ka sawera hota hai
par yehi janane samajhane mein umar saari gujar jati hai
aakhir haasil hota hai kya
yehi samajh hi paati nahi zindagi.
