## adedoyin jolaade(1st january 1994)

Donony is a mind poet writer who base his writings on nature.

# Smooching Lies

Words are said  
Feelings are heartfelt  
Hatred are saddest  
Tell me that rain fall on special days  
Getting through my ears  
Moving ahead the sky is like  
achieving the greatest things  
I want to love  
We play like dove  
Make your love fame  
To enjoy the game  
Telling all heart are the same.
