Aishal madaan(02-05-1998)

i am an imaginative poet, i write on the present image of the world. I Am a crazy reader of apj abdul kalam and Chetan Bhagat's books.i believe that there is poetry in every soul.i am an introvert, a naysayer, a free soul, a mere mortal, fascinated by the sound of thoughts tumbling onto words.

Live Like A Soldier

The dream of a soldier
beyond the battlefield;
live like a soldier, live like a soldier

The plan of a soldier
for their nation and between death or alive;
live like a soldier, live like a soldier

he takes pledge and
take care of his nation;
live like a soldier, live like a soldier

being student as a soldier
plan work as a soldier;
live like a soldier, live like a soldier.
