# Flip Up

My life is upside down  
Now is a hat tomorrow is a crown.  
Today maybe cloudy and rainy  
But I know the sun will shine down on me.

Hunger is part of my struggle,  
My adventures meet predator in the jungle  
I started learning the basic to survive,  
I want my dreams so I must stay alive.

It takes a machine to turn a wheel  
A courage to be strong like a steel.  
Life is a flip up,  
We must patiently wait for our turn to be on top.

# First Love

It was one summer night  
When we first met under the moonlight  
We used to know our name intentionally  
But fell in love accidentally.

Everything happened so fast  
A promise of forever that would last  
We shared all the downfall and laughter,  
We swear to pass all the hardtimes together.

But as they say, nothing last forever..  
Every moments are now a memories to remember  
But I will still thank the God above,  
For letting me meet my first love.
