Dat Girl

the simple things you say to me seem to brighten up my day which make me realize

I cant go without you

Icant be without you

I cant sleep without you

The curve of your hips

is like an apple hanging from a tree

the roundness of your lips

makes a brother get down on one knee

your pretty brown eyes

your gorgious thick thighs

your medium body size

makes me realize

that you are my wife

Love Is

what is love

love is like a fresh rose coming out the ground

love is sacrificing

like sacrificing your life for another person

love is pure

pure as fresh snow that just hit the ground

love is trust

like trusting your life in another persons hand

what is love

love is like fresh doves flying away in a hot summer day

love

without love who are you

NOTHING! ! !

Time

if you lose time
then time will lose you
if you waste time
then time will waste you
if you save time
then time will save you
but if you kill time
then time will kill you

What If?

what if?

what if nobody loved you?

what if?

what if everybody hated you?

juust what if?

what if you were the president?

what if?

what if you were poor?

what if?

what if you were Rich?

just what if?

what if people called you stupid?

what if?

what if you could save somebody life?

what if?

the answer to the question is what you decide.
