Tumi Nei

Tumi nei
chandra, surya, graha, tara
ar amra
roilam shakshi hoye.
kotho swapno, kotho kotha, kotho galpo, kotho asha,
sob roilo pode
amar sambal hoye.
rekhe gele onek shmriti, amar obolamban.
jibner antim somoy paryantya
tomake chhadini ek muhurtya.
aj ami eka, bodo eka
tumi shudhu chhobi.
aj amar jeebner ar kono dam nei.
tomar drirro bondhane ami chhilam tripta,
veeshan tripta.
aj ami bondhan heen ek manobi
jar soundarya gechhe muchhe,
sob ichha gechhe more,
amake emon kore nei proyojon ar karo.
