A Tear Would Fall

a tear would fall
as do all

no cares
they are all with fear

Donald Edwards

Another Tear Shed

another tear shed

the beast would be feed

no one cares

no one shares

all brought up on fear

none will be spared

Falling Star

I am a falling star
A falling star that's fell so far
I am a falling star
A falling star with so many scars
Someone please help me
Someone please save me
I'm tired of the lying
I'm tired of the stealing
I hate this faith
Why can't I escape
I am a falling star
A falling star that's fell so far
I am a falling star
A falling star with so many scars
Someone please help me
Someone please save me
I want to escape this
I want to erase this
Why do I feel this way this way
Why am I left in dismay
Is it because of all my scars
I know I've done wrong
I know everything I do is wrong
I am a falling star
A falling star that's fell so far
I am a falling star
A falling star with so many scars
Someone please help me
Someone please save me, from me

Is It A Crime

is it a crime
for us to deny what is right
ive fallen for love
and always soved

no one cares if i die
not even the ones that cry
if i do my best
ill still be laid to rest

no remourse or guilt
wondering if this is the day ill be killed

Donald Edwards

Never Give Up

fallen down
fallen now
never give up

no matter how big the crowd
stand tall
and protect the small

Donald Edwards

Now Or Never

' these cold hearted lies
are something i cant deny
your no chosen one
more like the fallen one
depriving me of everthing in life
just to get me to fight
it ends now
with one of us 6 feet under the ground '

Donald Edwards

Rain

Rain falling down
Down to the ground
I'm lost in it's grace
As it hits my face
Stunned by the life it brings
And how it makes the birds sing
Im loving how it makes me feel
Safe, a live, and so real
It reminds me of only one
My true someone

Donald Edwards

Still

life would stand still
as if time its self had fallen ill
the lies of many
the sins of many
from their past
would be remembered last

Untitled

peace u can never keep
all gone with just 1 piece
we tried r best
just like the rest

only to fall
all among
this darken world
where we are descent to fail

Donald Edwards

Untitled2

i used to think
that i couldnt be beat
and then i saw the way u look at me
it brought me down to my knees
this was the day that i was beaten
i only wish we could be
but do u feel the same as me
if so i would love to be

World

as i lay down to sleep
my wounds would begin to bleed
the pain too much to say
i would be a ship in the bleeding bay

hoping my life wouldnt have been a waste
while the world lost all its taste
i fought to bring it to peace

but at the cost of me in pieces
dont let my life go to waste
bring this world back its taste
