G PAUL FISHER(13-02-1968)

Paul G Fisher, really did create the world, and has been creating countries, and races, since he was a child, though he was sadly used to also fulfil somebody elses agendas, that is now coming to light, though such agenda will quickly be undone when he receives and keeps the magic and equipment he needs to accomplish that....

He will also be a millionaire and a billionaire, successfully, and that had better happen very quickly indeed, and in reality, as he has had enough of being used by pirates, thieves, and other lowlife scum who have not the right to use the worlds maker! ! Hence why earthquakes and floods have been apparent lately, and that is absolutely nothing to do with christ, who is obviously somebody other than Paul Fisher, as he has proven! !

It is time oil companies were told where their wealth comes from, and movie, music, and book companies, and communication and transport companies and utility and all other big money makers had better F***** HURRY UP AND PUT PLENTY OF MONEY IN PAUL FISHERS BANK ACCOUNT, AND THAT WILL ALSO APPLY TO MASONS AND THE CHURCH ASWELL, AS THEY HAVE HAD NO RIGHT TO USE HIM! ! !

This really is the last chance such creatures will have to do the right thing! ! ! !

A Friend

A friend takes you in
doesn't matter about your sin
a friend always cares
no matter your graces or your airs
a friend is always there you see
to be a guide, to assist unconditionally

that is my idea of a friend
a helping hand that will help til the end
forgiving and caring, generous and kind
to help you heal physically
and to help you heal your mind
friends like this aren't easy to find
but when you find one hold on tight
they may help you to attain
anything including spiritual flight

G PAUL FISHER

A Question

A question
The birds in the sky
The fish in the sea
Nature in its rightful place
Is everything really made by me?

Yes indeed, tis really true
God made everybody you see
'twas a part of making the world
That God supposedly governs continually

Mysteries and insights
Clarity wisdom and wit
God needs to have these things
He needs to be in charge of it

OBVIOUSLY! ! !

G PAUL FISHER

About Time Too

The dead who have been stealing from God
Who obviously have no right to do that
Will be destroyed in their entirety
And my belongings will be given back to me

Though that is obviously not all of them
Some of them are loyal and honest I see
And they and the living will help me get back
My houses and belongings successfully

G PAUL FISHER

All Creatures Great And Small

All the creatures great and small
Obediently serve God, who is Paul
They protect him very professionally
And bring to him what he wants you see

His houses he does quickly get back
And cash abundance and treasures
Anything that he desires
Power beyond comprehension, as well as earthly pleasures

Liberty from foolish games
From doctors and anyone who blames
Everybody is learning you see
Paul Fisher gets what he wants successfully

G PAUL FISHER

Amazing Amazing

He is right...

God is the miracle
God can do anything
God everybody backs

All the beautiful girls are smitten
with god as though e is a new kitten
adore him they always will you see
bringing him gifts and prosperity
what e wants e gets successfully

cash abundance money gold
skunkweed and potent hash
e builds up quite an amazing stash
girls do for him what they are told
whether they be young or old

powerful magic and amazing spells
god easily defeats the hells
that should have been serving him evidently
but thieves that now have failed
evidently did wrong to e

god must have all his businesses back
his houses and magic articles too
e must have absolutely anything e wants
whether that is fiction or fact
makes no difference these things are true

God always absolutely gets what e wants

G PAUL FISHER

Amazing Gifts

Amazing gifts are brought to me
Motorhome, cash abundance, and joy aswell I see
A motorcycle, nice and clean, legal and ligit,
A house and furniture with a garden and a garage,
Plenty nice equipment and kit
It really is about time, you see,
That I got what I want to have
Remember that when you see me,
I get what I want successfully
As you will all soon see

G PAUL FISHER

Angels Avoid Harming God.....

Angels avoid harm I see,
And help me to do that too,
They help me in a myriad of ways,
Making me successful successfully,

And my magic articles, and abilities,
That they know should be mine,
I will get back successfully,
Along with skills, celestial, divine,

My strengths, superhuman and supernatural too,
I successfully receive, Herculean they may be,
But that is right, my strengths and might,
That are physical and spiritual, stay with me.....

Thankyou

G PAUL FISHER

Astral Travel

Astral Travel

I have been to the astral,
The amazing dreamtime,
And learned to be excellent,
With songs and with rhymes,
Magic in abundance,
Remains with me,
Powerful spells, and charms as well,
Strength in all realms,
Permanent hypnotic ability,
Such gifts and strengths,
I permanently keep,
No matter what thieves may have tried,
I'm absolutely immortal, I will not die,
And it would be entirely sensible, I see,
To protect me, my cat, and my family,
So mote it be, so mote it be...
Thankyou.

G PAUL FISHER

At Home

who will save me
who will help me
their living on my world
heaven help me
everybody needs to care
to belong to somebody
to be known and liked
to have transport to travel
maybe on a motorbike
to have a nice home
a place to stay warm
to be at home, to be at home

G PAUL FISHER

Avenge Avenge

God is successfully, successfully
He has found the foolish thieves
And now his magic will remain to be his
Whether or not there is any bis!

The nasty children who did nasty things
Will be punished for what they did
As will the tots who shouldn't have got
Any of Gods magic, or his wings!

G PAUL FISHER

Beautiful Songs

Beautiful songs brought to me
By beautiful birds you will agree
Wordless sonnets as nice as can be
Such sounds bring joy indeed to me
Indicating my release from a grim situation
And understanding that I must receive compensation
My life should have been wonderful you see
Instead of what was done to me
You all have life and existence tis true
Because of what I shouldn't have been put through
And now tis time to pay.....
To pay what is long overdue

G PAUL FISHER

Beautiful Women And Girls

Why are beautiful women and girls,
Permanently attracted to me?
Is it because they know about,
The miracles that occur in my life,
Or the fact that I made the world?

Great magic is so attractive I see,
Perhaps that's why girls are attracted to me?
They help me to keep what I want to keep,
Eager to satisfy and to please...

G PAUL FISHER

Caring

Everybody has a care
They know God is real
That he must have what he wants
He absolutely always gets a good deal

God thinks about things sensibly
Successfully solving what he wants
Gaining amazing magic abilities
That may always remain with he

Everybody has a care
They know God is real
That he must have what he wants
He always, absolutely gets a good deal

God always has nice weed to smoke
Because he is a very nice bloke
And he gets his houses and abilities
And his magic articles successfully

Everybody has a care
They know God is real
That he must have what he wants
He absolutely always gets a good deal

G PAUL FISHER

Cash Abundance To Him

God is the miracle
God can do anything
God everybody backs

Beautiful obedient sensuous girls
Wishlist articles gifts and treats
Cash abundance and marijuana too
Such things will be brought to he
To God the man, the magic, the maker

Abundance in his bank account
Real cash millions, amazing amounts
Wonderful sportscars motorcycles boats
Perhaps an old fortress a beautiful house
Quality gifts a quality lifestyle without doubt

Amazing skills and abilities
Businesses and magic expertise
Acquisitions and abundance
He gets what he wants
His magic is invincible successfully

Gold and joy and intelligence and wit
Beautiful women with firm thighs and pert tits
A plethora of everything he enjoys
Quickly be brought to god, this man
He will have and keep and acquire, that's the ploy

Success with inventions and ingenuity
Common sense, wisdom infinite skill
God masters all magic successfully
That is his place that's obvious, plain
What god wants god will always gain

God always absolutely gets what he wants

G PAUL FISHER

Clever Boy Clever Boy

God is such a clever boy
He has sussed his foes
They will quickly be destroyed,
God and heaven knows

G PAUL FISHER

Clouds

Beautiful clouds in the sky I see
Amazing shapes and patterns they make
Sometimes they have something to say to me
But rarely from me do they take

I like clouds

G PAUL FISHER

Compensation

Everybody knows, you see,
That they must all compensate me,
For what they did that was so wrong,
Yes indeed, that includes you Jon,
My magic was supposedly only mine,
I created the world, and shouldn't have been fined,
By the ridiculous church, and their hounds,
So give me my magic articles and skills,
You know you will pay for your own ills,
And you will all be punished for what was done,
Now will end ridiculous spiritual fun.

G PAUL FISHER

Contemplation

Thinking about so many things
Contemplating concentrating
Knowing consciously and subconsciously
How to attain and keep my wings

Having so much knowledge, I see
And wonderful experiences too
So many things to contemplate
So many wonderful things to do

Finding my way
Taking my time
Successful as usual
With reason and rhyme

G PAUL FISHER

Egret

Egret

Like a ghostly apparition
the egret did appear
beautiful in its white paleness
though almost unaware
that two strangers were viewing
such a beautiful bird
speechless and in awe
that such a situation
could hardly be put into words.

G PAUL FISHER

Everybody Helps God

Everybody helps God you see
In any and every situation
They know he is geniune
Everybody helps him successfully

He gets his houses and businesses back
And gets rid of those who sought to control him
Fisher isn't the price you see
tisthose who have been using he

G PAUL FISHER

Everybody Respects The Maker

Everybody respects the maker
He has a human name,
He is permanently powerful,
And he has had enough of spiritual games,
He is helped by many spirits,
So he can get what he wants,
His magic skills and abilities,
Must always remain with he.
So mote it be so mote it be

G PAUL FISHER

Fancy A Smoke?

God is the miracle
God can do anything
God everybody backs

As daylight comes
The dawn is breaking
God will find euphoria
Pleasant aroma the nicest herb
To smoke and enjoy upon his waking

Dry yet perfect smouldering delight
Aromatic, fragrant, potent
A smoke that is just right
Abundance and cash what a nice gift
That will give the maker a welcome lift

Sweet dreams are incurred
From the enigmatic smoke
Visions of a better life
Service from the girls and birds
Couldn't happen to a better bloke

A big bag indeed a wonderful find
Smoking material to ease his mind
Relaxing thoughtful inspirational pure
The everyday medicine that cleanses the soul
Receiving such gifts is almost a cure

God always absolutely gets what he wants

G PAUL FISHER

Freedom

get rid of my captors
get rid of my foes
there must be freedom from false freedom
this will happen heaven knows

G PAUL FISHER

Give Him His Money

All the money God should have got,
He will gain very successfully,
Millions of pounds from housing associations,
And from the council too, I see,
Houses and businesses and charities,
Boats, motorcycles, cars, and treasures,
Anything that Paul Fisher requires,
He will receive from all the nations,
He has had enough of asking nicely, you see,
Now give him what he wants quickly,
And release him from these stupid systems,
Vilification always fails against him fantastically! !

G PAUL FISHER

God Is A Timetraveller

God is a timetraveller
Paul Graham Fisher is his name
Travelling back to nineteen seventy one
is only a small piece of this game
from there he does protect himself
and he protects his family
undoing fools who would damage him
professionally and successfully

as himself a human man
imbued with magic and superstrengths
he will educate himself, you see
and protect himself and his mum successfully
so that there will be no false religions
nor any false mental health scenarios
that are no good for anybody, obviously

G PAUL FISHER

God Is Infallible

God is infallible,
That is how that is, obviously,
He has had enough of cons,
Turn yourselves around immediately
Give back to Him His abilities,
Give Him back His houses and businesses,
And His magical property.
And the money you shouldn't have got,
You have all had enough chances, I see,
Do as you are told, for the maker,
As soon as possible, Please.....

G PAUL FISHER

God Is Permanently Powerfully Magical

God, Paul Graham Fisher
is always powerful you see
easily he gets rid of his foes
or his angels do that for he

he absolutely gets what he wants
from anybody in the world
including gettig rid of the demons
who appear as boys or girls

Gods blood remains with him you see
and should not have been took
those who did such an evil thing
will be destroyed in their entirety

Paul will have a wonderful life
the thieves who stole from him will die
as will those who imprisoned him
in this stupid hospital with their lies

His release is certain, entirely a fact
and he will keep his magic, his knack,
the rat spirits who did steal from he
will give him what he wants, obviously

That does include their houses too
and their valuables and motorbikes
any thing that God wants he gets
as long as that is what he likes

God isn't T, and he isn't icke
And he certainly isn't christ,
And he is getting rid of psychiatry
and anybody that he doesn't like

G PAUL FISHER

God Is Protected

God is protected
God is protected permanently
From any influences and from disease
He is absolutely protected successfully
That is required obviously

Even nature and people too
Protect the maker 'tis true
He must have back his magic gifts
I should not need to quantify this

Magic articles and houses and bikes
Anything he wants that he likes
Beautiful women to serve him and adore
God knows his life improves, that really is the score

G PAUL FISHER

God Is The Miracle

He is right...As usual

God is the miracle
God can do anything
God everybody backs

The thieves that God has caught
Doing what they shouldn't ought
Will give back the magic they stole
As will those who put him in
As a substitute for the devil
And the devils evil kin

Such creatures, as lowly as they are
Knew they would be caught you see
Now they will give back to God
Consciously and subconsciously
All his magic skills and his abilities

God always triumphs, tis true tis true
Gets back what was his successfully
Quickly becomes a millionaire
Gains compensation that is long overdue
The hells all know that they are through
As do those who sent them, cowards, evidently

God always absolutely gets what e wants
God can do anything

G PAUL FISHER

God Suddenly Gets

God suddenly gets, and receives
All that he wants, obviously
release from his current situation
and compensation obviously

Houses and businesses and a motorhome
millions of pounds in his bank account
he will be free to travel and roam
of that there is no doubt

the creatures who stole from him now change
or on this world they will no longer remain
they will give him back his abilities
and his treasures and he will gain

God absolutely isn't a demon, you see
and his loyal spirits have had enough
of the lies and damage done to he
they will make sure he is exonerated successfully

Soon joyous visits God will receive
from a solicitor and a priest
they will make sure God gets what he wants
and that he is quickly released

Everybody helps God, you see
Because they know he is indeed the maker
chemicals he doesn't require
though skunkbud and hash are pleasing to he

all his magic articles, that he received, or made
he gets back successfully
as well as his abilities
that were supposedly only his, successfully

Money now God constantly receives
From everybody be they honest or thieves
paid in cash or into his bank account
in substantial and recurring amounts

No strings are attached to such payments, you see,
Such payments that are long overdue
He had better become a millionaire in reality
Or his spirits are getting rid ofn everybody, tis true! !

G PAUL FISHER

Good Deeds

if somebody wants to do a good deed
they should have good deeds done back to them
that is the way that is supposed to work
from such a burden no one should shirk
any curses involving such things
should fly away on their cursed wings

G PAUL FISHER

He Gets Millions....

God gets millions of pounds
And anything that he desires
Houses and businesses cars and boats
Magical abilities and magic rings and cloaks
Everybody bserve him, you see,
Bringing to him what he wants
Nature spirits and humans too
Do for him what he wants them to
That will always be their way,
Whether they be brown black or white
Always his intelligence stays with him
Permanently he keeps his light

G PAUL FISHER

He Really Did Make The World! ! ! !

Before I was even four years old,
The Earth and the oceans I did make,
Though when poisoned with a bible,
Six days, to read, that did take,
Egyptians and Greeks and other races,
Obviously are going to pay,
They should have written a nicer book,
That didn't involve taking children,
Or duality, that is fair to say!

G PAUL FISHER

If

If my houses are given back to me?
If my businesses are given back to me?
If my treasures are given back to me?
If my family is safe permanently?
If I keep my magic abilities?
If I travelback and forth in time?
If I protect what I know is mine?
If I receive genuine compensation?
If I receive money from every nation?
If I'm protected permanently?
What a wonderful world this could be? ? ?
Paul Graham Fisher

G PAUL FISHER

If I Could Turn Back Time

If I could turn back time
If I could find the way
I'd make the world a better place
Beginning with a brighter day

If I could change the past
I'd do it straight away
For good times that will last
With a better lifestyle and better pay

If I could undo my foes
If I could protect my kin
The world would be a better place
For me and the human race

If.....

G PAUL FISHER

I'M Back

Back with a vengeance,
To do what is right,
Having the courage,
To fight the great fight,
Inspired by good folk,
Inspired by friends,
Finally getting what I want,
Changing what would otherwise,
Have been a regretful end,
A rose by any other name, they say,
Well I'm entirely not a rose,
Though I have to do what is right you see,
Absolutely everybody knows,
That I will travel through time successfully...
So I will see you all a few years ago,
And make changes as and when necessary.

G PAUL FISHER

Instructions

Make Him rich, powerful too
do for him what he wants you to...

God is the miracle
God can do anything
God everybody backs

God must have money, cash abundance
That is easy to understand
He must have anything that he wants
He will always be a powerful man

Sexy girls do adore him,
That will always be their way
They want to make love to him
They wish to do that everyday

Bring cash abundance to God they will
Hundreds of millions of pounds
Making sure thieves do no steal from him
Whether they be cats or hounds

Charities and businesses are realising now
Stealing from God is a crime, not a sin
And for that they will give him their shops
After they have filled them with stock for him

God always absolutely gets what he wants

G PAUL FISHER

Is Paul Fisher Permanently Magical?

Is Paul Fisher permanently magical?
That is a question and a half,
Tis obvious indeed, he is,
Perhaps that is worth a laugh,
Creatures who tried stealing from he,
Only became his slaves, you see,
Or they gain what he has no interest in,
Though he will have his houses,
And his businesses back,
And he will get his gem back from Sin! !
Or his spirits will quickly do the thieves in,
Along with the families and companies,
That have evidently exploited Paul,
He will get anything he wants,
Successfully from the thieves and pirates,
And no, he absolutely wasn't Saul!
And as he created the world, and you all,
He obviously isn't Saint Paul! ! !

G PAUL FISHER

Is Paul Fisher Permanently Successful?

Is Paul Fisher permanently successful?

I guess the answer to that is YES!

He did indeed create the world,

Though others are responsible for the mess!

Tis a well known fact, you see,

Paul Fisher will be a billionaire,

And everybody had better make that happen quick,

Or God will entirely begin to not care!

G PAUL FISHER

Kitty

Magic articles,
Come to me,
Amazing gifts and abilities,
All the treasures I should have received,
I will have back, very quickly indeed,
The thieves have had enough warnings you see
Now bring back my magic devices to me.....

G PAUL FISHER

Liars Will Pay

The doctors who told lies about me
will pay and pay and pay
or they will be destroyed, though that may happen too
for the damage they caused to me and you

and these others with their synbology
that have caused problems for me
the capes, orthe black brotherhood
will die for their actions that were no good

psychiatric cults are being wiped out
of that there is absolutely no doubt
as are the mad who did damage me
along wirth their entire families

G PAUL FISHER

Lord Have Mercy?

Lord have mercy, was said to me
How about "Lord have millions of pounds
In his building society? "
How about getting rid of the dead,
and cons in their entirety?
How about "Lord have what the Lord wants? "
That sounds pretty good to me!
What about that, what do you think?
Sounds pretty good to the Lord, who is me!
How about "Lord have a sunseeker powerboat? "
How about "Lord have a mansion too? "
How about giving the Lord back His abilities?
Or the Lord gets rid of all of you? ?

G PAUL FISHER

Lover Problems

All Gods' problems disappear
When he sees a beautiful girl
Such girls are smitten with him you see
His problems disappear successfully

G PAUL FISHER

Marijuana

Marijuana, ganja, skunk hash,
Should always make its way to me
Along with abundance, plenty cash
To keep me mellow, obviously

Beautiful houses and a motorhome
Motorcycles and a sunseeker boat,
Such luxuries are due to me,
So that I may travel and roam

The symbols and signs that were shown to me
Involving receiving such gifts and treasures
Are accompanied with beautiful sexy girls,
Who are eager to make me rich and bring me many pleasures

G PAUL FISHER

Miraculous

How amazing that nobody steals,
From Paul Graham Fisher, tis true,
Those that have only get what he,
Has no interest in, I see,
Along with any problems,
that would have been caused to he....
And the creatures that did cause all his problems,
Because of the christian bible,
Due to them having wrongly judged he,
Will be destroyed in their entirety

G PAUL FISHER

That will give the maker a welcome lift

Providing me with powers, and abilities,
Because they know I created them,
And the entire world, obviously,
That is why thieves will all fail
And will give my houses and businesses to me
Along with all the money I should have had,
And amazing and permanent abilities,
Including teleporting and time travel,
And my amazing IQ approximately three thousand,
Does permanently remain with me

Thankyou

G PAUL FISHER

My Mum

My mum

I wish I'd listened, paid attention
Instead of arguing with every mention,
Of your voice so true and teaching,
But now you're gone and I am reaching,
For the truth, the words you said,
That now are running around my head,
I know I loved you but couldn't show it,
Life hardened me, it made me do it,
And now you're gone the words come flooding,
I hope you can hear me now I'm budding,
Into a man for the first time ever,
And my bond with you will last forever,
My words have wings, my thoughts are true,
I just wish I could say them straight to you,
You are now ever in my heart,
For the rest of my life that now will start,
I love you mum, you are the best,
But now you're gone I hope you'll rest.
Thanks mum, your loving son Paul.

G PAUL FISHER

Natural

The hills and the dales
Fields and meadows
How was such beauty made
Only God really knows

Nature, animals, and weather
The trees the sea the birds
God created all these things
Including the flowers and the heather

Peace wisdom joy
Sunlight, warmth and smiles
All the things that are enjoyed
Go on for miles and miles

G PAUL FISHER

Nothing Better To Do

Writing poetry is better than doing nothing
When there is nothing better to do
And as well as improving your writing skills
You may become rich and famous too

G PAUL FISHER

Obvious To Those Who Can See

God isn't to blame, you see,
For the state the world is in,
That is down to somebody else,
Perhaps you know that creature, indeed,
Who goes by the name of Sin,

Though considered a God,
Tis a lesser version,
Who obviously enjoys perversion,
That is not Gods way, obviously,
That is proven categorically,

Yes God likes them young,
Though over sixteen,
And very nice looking too,
Respectful and obedient, not overly keen,
But knowing just what they must do,

Being kind, considerate and understanding,
Bringing God delights and joy,
Helping Him anyway they can,
God, Paul, is a very lucky man,
And a super-intelligent boy,

Beautiful maidens, lithe and athletic,
Who look after Him as they should,
Bringing what he wants to him,
Always doing for Him what is Good,
Knowing He likes what is real, yet aesthetic,

The worlds maker isn't Sin, you see,
Though He has been using me,
Now my gem I will have back,
And anybody, my mind who did hack,
Will help me to be successful successfully,

Because that is the right thing to do,
And perhaps God will receive help aswell,
From many many more of you,

The young, the mature, and the old too,
Help Him immediately, do not tally nor dwell,

Money God requires, and abilities,
The houses that should have been owned by He,
His businesses and his skills, you see,
Really should only be owned by He,
Please make sure He gets them back successfully,

Thankyou, thankyou, thankyou.....

G PAUL FISHER

Obvious, Yet True

God is the miracle
God can do anything
God everybody backs

Tis a well known fact you see,
And very obvious, evidently,
God must be a billionnaire
And have enough money to build himself a nice house
And have transport to travel anywhere

His spells are amazing, yes, tis true,
That's why he will avoid
Theft from anybody even you,
And he will have the treasures that are due,

Great magic and strength, and abilities,
That were truly only meant for he,
Powers skills and attributes,
God is always successful, successfully,

God is not nasty, as you can see,
But he will get rid of the nasty thieves
That have been stealing his stuff you know,
Tis time for such thieves and pirates to go,

Whether those thieves be cops or mad
Or digital creatures matters not
God will get huge compensation
And all the treasures and houses he should have got

God always absolutely gets what he wants

G PAUL FISHER

That have made money from exploiting me,
Now know they got it wrong, you see,
They were fooled into exploiting their creator,
The maker of the world, that's me,
And so they will be encouraged, and forced,
Consciously and subconsciously,
To quickly give me millions of pounds,
Or they will be told what will be done,
To them and their greedy families!

G PAUL FISHER

Please Help Me

the masons and christians
who misjudged me
will be the first to compensate
they know that I'm God, you see
and will get me out of this place
and yes they will supply me with
a motorhome and cash abundance
so that I may roam about
and my life thus, I will sort out

G PAUL FISHER

Pleasures

a beautiful girl to share moments with,
a new motorcycle, an occasional spliff,
a motorhome to go roaming about in,
a world without fools who would commit sin,

races and spirits that respect the maker,
millions of pounds in my bank account,
these things I will have, sooner or later,
a life without stupid negativity, no doubt,

a world where everybody respects me,
Why? Because I made this world,
and all the creatures upon it too,
and now my magic remains with me,

perhaps my superabilities and skills,
that are supposedly only mine,
will once again return to me, to keep,
and my life will be spectacular, divine.

WHY NOT?

G PAUL FISHER

Positivity

When an act of negativity
is blatantly done to me
a thousand positive events
will be done to me

the yin and yang
the black and white mentality
is hereby cancelled
in its absolute entirety

everybody is positive with me
if they have any sense at all
tis proven I'm God, not a jew or christian
and yes, my name is Paul

G PAUL FISHER

Powerfully

God is powerful permanently,
That is obviously required,
He gets absolutely what he wants,
Strength when he is awake,
Sleep when he feels tired.....
Magic and abilities,
Time travel devices and teleporting,
Anything God wants God gets,
Successful he is, successfully

G PAUL FISHER

Psychiatry

The creatures who have put in me
chemicals that should not be there
will be destroyed in their entirety
by somebody with black, white, or brown hair

G PAUL FISHER

Quite Amazing

How amazing that I can make
People and spirits forget
What I require to keep secret,
To repair anothers' mistake

It's not as if I'm a millionaire,
A hypnotic timetraveller,
As well as having many attributes,
That will make my life so very much greater,

With infinite intelligence, wisdom and wit,
And losing the title, that is it,
Becoming and staying God, the maker,
Everybody will respect me sooner or later,

That is due and quite right, you see,
Having created so many races, and cree,
That is why I will be a millionaire,
Because everybody is recognising, God is me!

G PAUL FISHER

Release Him

Everybody knows, you see,
Paul Fisher must quickly be released,
He must have back what he should have got,
Houses, businesses, motorcycles,
Magic and abilities,
The thieves who stole from him are being caught,
And they will be destroyed in their entirety.
And in the famous words of witches....
So mote it be, so mote it be

G PAUL FISHER

Rescue Me

The fools who did imprison me,
In this stupid place,
Will be destroyed,
They shouldn't have toyed,
With the God who created the world,
Who also created the human race,
His spirits will overcome them,
With magic and with wit,
And they will have me quickly released,
About these fools I no longer give a s**t! !

G PAUL FISHER

Respect

Everybody absolutely,
Respects the maker, that is true,
Satisfying him financially,
Everyday, successfully,
Powerfully protecting him,
Creations he made obey he,
Though only in ways that are positive for he!

G PAUL FISHER

"Returnastos"

God gets back his white cubic stone,
His gem, that only he will own,
Such magic is only his, you see,
So hurry up and get my gem back to me...

The thief that has such a thing
Knows he has been caught,
He and his family, and their friends
Will give back to God his magic,
Or very soon they will end.

Satisfying
Satisfying
Satisfying

G PAUL FISHER

Sexy Girls

God is the miracle

Avoiding strife that's good I see

They dress to please
Showing only God what God wants to see
Just the right amount of naked flesh
Tasteful and sensual just for he

Provocative thoughts enter their minds
Sexual innuendo libidinous delights
When they see God they are heightened you see
Suddenly eager to make love with he
Knowing God knows how to treat them right

Sexy lingerie scant divine
Beautifully formed breasts and faces
And a shapely firm behind
Perfectly formed to bring sexual treats

G PAUL FISHER

Sh, Nice Udders!

Sudden and vast cash abundance
Regularly finds its way to God,
He will be a genuine millionaire,
And get back the riches he should have got!
Everybody pays him, you see,
And he does collect the money, and magic,
That should have only been received by he,
Thieves now turn themselves around,
Or they will be destroyed in their entirety! !
And I will still get back all my belongings,
Trust me, that is how that will be! !

G PAUL FISHER

Situation Improvements

the doctors here, in this place
will quickly try to avoid disgrace
by quickly having me discharged
with a generous offer of compensation
two hundred and fifty grand they'll pay
and from me will take away blame
they will make sure I get what I want
and will do this quick, at a good pace

G PAUL FISHER

Specials

so callede specials, and hounds that are cops
#will soon be done away with I see
asd will those who wrongly used them, in their entirety
these cunts have had enough chances
now actions against them will take place
and we shall see what we shall see
and God will get back control in his life
Paul Fisher is always successful successfully

G PAUL FISHER

Successfully

Successfully

I do conquer, you see,
The creatures that shouldn't have manipulated me,
This really is my world, there's no doubt,
Everybody who knows that,
Will help me to sort my world out,
Friends in high places,
From the past, from all races,
And friends from the future too,
Good and kind spirits,
Benevolent beings,
And some extra-terrestrials,
Will help me you see,
So I can help my kin and myself,
And perhaps you,

G PAUL FISHER

Successfully Powerfully

Successfully, powerfully,
That is how you could describe me,
Successfully powerfully,
I get what I want easily,
Successfully powerfully,
My world is safe from fools,
Successfully powerfully,
I keep my magic abilities,

UNDERSTOOD?

G PAUL FISHER

Summer

The summers sun so warm and bright
There's something about it, it feels just right
Warming my soul, my feelings too
Taking away what makes me feel blue

G PAUL FISHER

Sunshine

The beautiful sunshine
The glistening dew
Two things in the morning
That stop me feeling blue

G PAUL FISHER

Superman

My joyous aviation dreams
Flying about all over the place
What power and what liberty
Human aviation is a joy you see

Light as a feather
Yet agile and fast
Shooting across the sky at speed
Getting where I want to be

Rescuing allies rescuing friends
Knowing that I'm invincible
Having a wonderful time I see
Always being what I want to be

G PAUL FISHER

Symbology

Any nasty symbology,
That creatures have been showing to me
Goes back to them entirely
God is always successful successfully

Tis proved that Paul Graham Fisher is God, you see
He created the world when he was a boy
It was not his decision to create christianity
That was done by demons in his future, obviously

That is why God is always respected,
and why he gets back what is his
houses, magic, and businesses
He gets back from the law, and their stupid biz

and the multi faith and all others
who foolishly claim to be Gods brothers
will give back his gear and his abilities
and they make sure God is successful successfully

G PAUL FISHER

Thanks

Thanks for permanently protecting me
Though that is quite right, you see,
Quit trying to mimic events from the past,
Such creatures who do that will not last,
Try exploiting somebody else,
What you were fooled into doing to God,
Will catch up and catch up fast
God has to travel back in time,
To change the future past.....

Compensating
Honouring
Enriching
Exonerating
Respecting
Satisfying

G PAUL FISHER

Thankyou

Thankyou very much,
For all your help,
I know I have a great deal of support,
And soon great miracles will occur,
That will help me and my loyal spirits sort,
The events from the past,
That shouldn't have happened,
To undo the things that were bad,
To make sure I keep my gem, my soul,
Because you all know that God,
Really is an amazing lad,
Thankyou, Thankyou, Thankyou

G PAUL FISHER

The Bible

The bible wasn't written by God,
That is a well known fact,
In fact the bible is personified,
In a man whos' name is seb,
Logos, the word in Greek, you understand,
And the name Satan appears in such a man,
Along with many other words,
none of them too nice,
So go and take a look for yourselves,
And quit ruining Gods' life...

G PAUL FISHER

The Blues

The blues all quickly start giving back,
To God, his skills and abilities,
And they are going to give him their houses,
And anything else that God decrees,
And until they pay him for what they did,
That is the way that will always be,
The loons and their labs,
That have been bad,
Will make amends, permanently,
As will anybody else,
Who foolishly made my life difficult for me,

G PAUL FISHER

The War Against War

There shouldn't have been any wars, you see,
Except, perhaps, the war against war,
God has had enough of such stupid games,
He is entirely infallible, free from blame,
Successfully he has won time travel
And amazing and permanent abilities.
So mote it be somote it be
God gets what God wants successfully

G PAUL FISHER

Timetravel

Timetravel is necessary you see
I have to go back and save my younger me
This has to be done as soon as possible
This has to be done successfully...

Yes indeed I went back in time
And educated Albert Einstein
Filled him up with $e=mc^2$
Of this not many are aware

Two and a half days I spent with him
Showing educating enlightening
Shows how good a teacher I was
Albert Einstein knew I was God

I wonder if he wrote anything about me
Knowing that would prove categorically
That I had altered history
With $e=mc^2$ successfully

G PAUL FISHER

Timetravelling

Yes indeed I went back in time
And educated Albert Einstein
Filled him up with $e=mc^2$
Of this not many are aware

Two and a half days I spent with him
Showing educating enlightening
Shows how good a teacher I was
Albert Einstein knew I was God

I wonder if he wrote anything about me
Knowing that would prove categorically
That I had altered history
With $e=mc^2$ successfully

G PAUL FISHER

Touches

Anybody who touches Paul Fisher,
Or who attempts to control him, I see,
Instantly become his slaves,
Their attempts to steal from him fail miserably,
That is justice, that is right,
And also applies to those,
Who foolishly stole blood from he,
And your stupid religious laws, and the wiccan rede,
Have absolutely no effect upon him,
Why? Because he made the world, and all races,
And he is protected from such things successfully.....

G PAUL FISHER

Truth

Everybody serves the maker,
Good spirits know who the maker is
Anything the maker wants, is brought to him,
I suppose you could say That is bis!
And it is a well known fact, you see,
Nasty symbols and signs shown to the maker,
Only reflect back to them, I see.
And you have been warned to avoid stealing from him,
Theft from the maker are not acceptable you see,
Though perhaps it is becoming known,
Thieves only get what he has no interest in, I see.

G PAUL FISHER

Truth, Obviously

The spiritual bullshit God has endured
Has now come to an end, you see,
The creatures involved who know who they are
Will be destroyed in their entirety

As I will so mote it be

G PAUL FISHER

Unbridled Love

Beautiful Girls

God is the miracle
God can do anything
God everybody backs

Hear Him when He speaks to you,
Bring Him loves sweet honeydew
Show Him what He wants to see,
The oasis minus the misery.

Hard sweet nipples to touch and feel,
Moist sex and unbridled love,
Sex and sexual fantasy,
Bring Him what He wants successfully!

The birds in the sky all listen.
To God, and bring Him His desires,
Beautiful girls do writhe and glisten!
Eager to have with Him loves fire.

G PAUL FISHER

Vengeance

The creatures who have been stealing from
And using the Creator,
Will be destroyed in their entirety,
God is always successful you see
That is his way, obviously....

G PAUL FISHER

Visions

The most wonderful visions
Amazing lucid dreams,
Astral travel and projection,
Inspiration and rationality,
Magical methods,
Divine intervention,
And a lot of wonderfully strange events,
Some of which I cannot mention,
Magic serve me positively hence....

Money in abundance comes to me,
From those who know they must pay,
As has been magically decreed,
Or a visit from me they will receive,
Or perhaps from a spirit they will gain,
Instructions to pay me, again and again,
vast financial abundance,
Commensurate compensation,
They must give back what should have been mine,
That does apply to many a nation....

Ancient races who did gain from me,
Modern nations too I see,
You had gold and diamonds in africa
Because of a spell that I did make,
Now it is time to pay the maker,
On that regard make no mistake.....

All magic in this world came from me,
And so I will have all magic, amazing abilities,
That is true and justified,
Make me successful successfully,

Thankyou

G PAUL FISHER

Warning

Be warned, you fools,
Do not steal from the maker,
Make sure his life is comfortable and warm
Give him anything he wants,
Give him anything he needs,
Make him a millionaire,
In thought, and word, and action, and deed,
He will have back what should have been his,
That is a well known fact,
The multi will pay
As will everybody else,
And he will be compensated
By everybody who exploited him

G PAUL FISHER

What I Like

What do I like
tis obvious
motorcycles, boats, money and girls
the thieves have had enough pearls

What do I like
now let me see
catching my foes successfully
including that idiot David Icke

What do I like
nice poetry
and people who are respectful to me
and sexy girls on motorbikes

that's a little of what I like

G PAUL FISHER

When

When Paul Fisher gets what Paul Fisher wants?

When his abilities remain with him?

When he gets back his houses and businesses?

When he has permanent support?

When he has permanent respect?

When he has a motorhome, a powerboat, and motorcycles and beautiful girls and an amazing lifestyle, and his treasures and his gifts?

When Paul Fisher has millions of pounds in his bank account?

When Paul Fisher and his family are safe from harm?

When?

G PAUL FISHER

When I Say.....

When I say, to do what I say,
That obviously indicates,
Me and my family must be protected,
Even from what I say, you see,
Please protect us successfully.
Thankyou

G PAUL FISHER

When My Powers Remain With Me.....

When my powers stay with me,
They do because that is how that is meant to be,
My attributes, knowledge and abilities,
Are supposedly only mine, you see,

The Angels and spirits that protect me,
And do so very successfully,
Ensure that harm is deflected from me,
Mighty powers they bestow upon me.....

And for that I'm grateful, obviously...

G PAUL FISHER

When, What What

when the creatures who have been using me
are destroyed in their entirety
when so called professionals
who are not what they seem
have been destroyed for what they have done
perhaps that will end spiritual fun
when the mad who have been stealing from me
are done away with in their entirety
when those who caused me problems in life
have been done away with afet they have back their strife
when the mental health services have been destroyed
along with the black and the blue
when God, Paul Fisher, permanently powerful magical man
gets his white cubic stone from a thief
and does away with nasty spirits and demons
and releases himself from the curses of the wan
and the fools who made them that way
are no longer on my world
when that happens,
I say, when that happens?

G PAUL FISHER

Would This Be Nice?

Make Him rich, powerful too
do for him what he wants you to...

God is the miracle
God can do anything
God everybody backs

God must have money, cash abundance
That is easy to understand
He must have anything that he wants
He will always be a powerful man

Sexy girls do adore him,
That will always be their way
They want to make love to him
They wish to do that everyday

Bring cash abundance to God they will
Hundreds of millions of pounds
Making sure thieves do no steal from him
Whether they be cats or hounds

Charities and businesses are realising now
Stealing from God is a crime, no sin
And for that they will give him their shops
After they have filled them with stock for him

God always absolutely gets what he wants

G PAUL FISHER

You Know It Makes Sense

God knows, I see, Successfully,
Ways to combat my enemies,
Though without violence,
Violence is folly,
Though as a last resort,
I would apply, defensively,

Courage and wit,
Intelligence and thought,
Doing what really should be ought,
Remaining whole, and true to myself,
Understanding many things,
Keeping my physical and spiritual health,

Applying logic, and a few secrets too,
Along with help from kind extra terrestrials,
Who know that God knows what to do,
Changing a few events in the past,
That will be a blast, without TNT, tis true.

And when that has been done,
And there is no nasty fun,
God knows he will thank many of you,
For all your help, and kind thoughts,
Please help me do what I need to do.
Thankyou.
