Beauty And A Beat

Yeah..
Young Money..
Nicki Minaj
Justin..
Show you off
Tonight I wanna show you off (aye, aye, aye)
What you got
A billion could've never bought
(aye, aye, aye)
We gonna party like it's 3012
tonight I wanna show you all the finer
things in life
So just forget about the world,
we're young tonight
I'm coming for ya, I'm coming for
ya Cause all..
I need, is a Beauty and a Beat
Who can make my life complete
It's all..
Bout you, when the music makes
you move Baby do it like you do
Cause..
[Beat break]
Body rock,
Girl, I can feel your body rock
(aye, aye, aye) Take a bow, you on the hottest
ticket now (aye, aye, aye)
We gonna party like it's 3012
tonight
I wanna show you all the finer
things in life So just forget about the world,
we're young tonight
I'm coming for ya, I'm coming for
ya
Cause all..
I need, is a Beauty and a Beat Who can make my life complete
It's all..
Bout you, when the music makes
you move

Baby do it like you do
[Nicki Minaj] Uh, Uh
In time, ink lines, b-bitches
couldn't get on my incline
World tour, it's mine, ten little
letters, on a big sign
Justin.. Bieber, you know Imma hit 'em with the ether
Buns out, weiner, but I gotta
keep an eye out for Selena
Beauty, Beauty and the Beast
Beauty from the east, beautiful
confessions of the priest Beast, beauty from the streets,
we don't get deceased
Every time a beauty on the
beats
(Body rock, girl, I wanna feel
your body rock) (Yeah, Yeah, yeah, Let's go, Let's
go!)
Cause all..
I need, is a Beauty and a Beat
Who can make my life complete
It's all.. Bout you, when the music makes
you move
Baby do it like you do
Cause...

Believe. :) By Justin Bieber

Believe, believe, believe I don't know how I got here
I knew it wouldn't be easy
But your faith in me was so clear
It didn't matter how many times
I got knocked on the floor
But you knew one day I would be standing tall
Just look at me now Cause everything starts from
something
But something would be nothing
Nothing if your heart didn't
dream with me
Where would I be, if you didn't believe
Believe...
There were days when out you
spoken, you know
There were night when I was
doubting myself But your kept my heart from
falling
It didn't matter how many times
I got knocked on the floor
But you knew one day I would be
standing tall Just look at us now Cause everything starts from
something
But something would be nothing
Nothing if your heart didn't
dream with me
Where would I be, if you didn't believe [Gospel]
Where would I be, if you, if you
If you didn't believe
Would you know, how I feel
Touch the sky, if you didn't
believe Believe, believe It didn't matter how many times
I got knocked on the floor
You knew one day I would be
standing tall
Just look at us now Cause everything starts from
something
But something would be nothing
Nothing if your heart didn't

dream with me Cause everything starts from
something
But something would be nothing
Nothing if your heart didn't
dream with me
Where would I be, if you didn't believe [Gospel]
Where would I be, if you
If you didn't believe
Would you know, how I feel
Touch the sky, if you didn't
believe Believe, believe Where would I be, if you didn't
believe

I Just Want You..

Make up your mind
Don't you want me like I?
I wanna feel that
Touch that haunts me every
night
It felt so right I just want you, you know why
I just want you, there's no hiding
I just want you, do you want
me?
So far away, another night alone Another day, another telephone
call home
But one day, I'm gonna find a
way to
I'll make you stay in my arms till
ever after comes You are the one
I just want you, there's no
denying
I just want you, there's no hiding
I just want you, do you want
me? Got a feelin' that it's time to
make a change
Got a feelin' that things can't
stay the same
I feel my heart losing control
Don't you want me to? I just want you, you know why
I just want you, I just want you
Do you want me?
I just want you, you know why
I just want you, I just want you
Do you want me? I just want you, I just want you
I just want you, do you want
me?

Move Your Body.....

Let all the heat pour down I'm good as long as he's around He let's me wear the crown I do my best to make him proud Now all my super ladies I got my baby, if you got your baby, baby Move your body, move your body Dance for your papi Rock your body, rock your body, Dance for your papi Put your hands up in the air, dance for your man if you care Put your hands up in the air, air, air, ohohohohoh Move your body, move your body Dance for your papi Rock your body, rock your body, Dance for your papi, ohohohohoh My rock is shining bright Even if he ain't by my side

My First Poem. :)

You think you know me On this day I see clearly
everything has come to life
bitter place and a broken
dream
And we leave it all behind
On this day it's so real to me Everything has come to life
Another chance to chase a
dream
Another chance to feel
Chance to feel alive
i have been defeted and brought down
droped to my knees when hope
went
out ohhhhh they time has come
to change my ways
On this day I see clearly everything has come to life
bitter place and a broken
dream
And we leave it all leave it all
behind (yeah)
I'll never long for what might have been
no regret won't waste my life
again ohhhh
I won't look back
I'll fight to remain

Now Go Away..

What is the point of suffering?
What is the purpose of joy?
Is it true that the winner dies
With the most toys? A lifetime spent for a dollar
A lifetime twisting in pain
A lifetime gone in an hour
A lifetime playing the game I see the starving africans on tv
I feel it has nothing to do with
me
I sent my twenty dollars to live-
aid
I've aided my guilty conscience to go away Now go away
Now go away
Now go away
Go away I don't want anybody to touch
me
I think everybody has aids
What's the point in caring for
you?
You're gonna die anyway A lifetime searching for
something
A lifetime going insane
A lifetime running from nothing
A life looking for someone to
blame I see the starving africans on tv
I feel it has nothing to do with
me
I sent my twenty dollars to live-
aid
I've aided my guilty conscience to go away Now go away
Now go away
Now go away
Go away I see the starving africans on tv
I feel it has nothing to do with
me
I sent my twenty dollars to live-
aid
And paid my guilty conscience to go away I see the starving africans on tv
I feel it has nothing to do with

me

I sent my twenty dollars to live-

aid

And paid my guilty conscience now go away Now go away

Now go away

Now go away

'When There Was Me And You'

It's funny when you find yourself

Looking from the outside

I'm standing here but all I want

Is to be over there Why did I let myself believe that

Miracles could happen?

'Cause now I have to pretend

That I don't really care I thought you were my fairy tale

A dream when I'm not sleeping

A wish upon a star

That's coming true But everybody else could tell

That I confused my feelings with

the truth

When there was me and you I swore I knew the melody

That I heard you singing

And when you smiled

You made me feel Like I could sing along

But then you went and changed

the words

Now my heart is empty

I'm only left with used-to-be's

And once upon a song Now I know your not a fairy tale

And dreams were meant for

sleeping

And wishes on a star

Just don't come true 'Cause now even I can tell

That I confused my feelings with

the truth

'Cause I liked the view

When there was me and you I can't believe

That I could be so blind

It's like you were floating
While I was falling
And I didn't mind 'Cause I liked the view
I thought you felt it too
When there was me and you

Win 8

As cool as a tree As scary as the sea

As warm as the sun As silly as fun As hot as fire Cold as ice Sweet as sugar and
everything nice All I wanna be, All I wanna be It's everything at once
