## Jean Pullman(12-8-92)

My Name is Jean Melanie Pullman I am twenty three years old and have been writing as far as i can remember. I write all of my poetry from the heart and all my poems are based on personal experiences. I have been through some dark times but now i am a positive person living happily and care free. I will be releasing my poetry novel shortly. I love meeting new people and making new friends. I also love to model, sing, act and dance. I draw and paint as well. I am very in touch with my artistic side and love to express myself through art. I am very talented and lucky to be so talented and love sharing my talents with the world. I am glad to be able to reach out to people through my poetry and hope to help continue inspiring people everyday. I love you beautiful world thank you for everything. :)

# My Soulmate (Antony John Melnichenko)

You came into my life and brought a ray of sunshine  
The day we met I knew you'd be mine  
When I look at you I feel inner peace  
You diminish my fears and put my mind at ease  
I've never met someone as amazing as you  
When you're around I could never be blue  
The touch of your hand and kiss from your lips are heaven to me  
The euphoria you give me makes me never want to leave  
Without you I would cease to exist  
Simply because no one could ever make me feel like this  
When I hear your voice my insides melt  
It's unlike anything I've ever felt  
You're my addiction and I'll never quit  
I never thought I'd find true love but this is it  
I knew you were my soulmate the minute we met  
I promise to show you how much I love you very chance that I get  
I can't wait to marry you and have your babies  
My love for you will never become lazy  
I never experienced true love until you came into my life  
You make me the happiest woman to ever be alive  
Whether you are up or down  
I promise to always stick around  
I will spend my life catering to your every need  
I will dedicate everyday to showing you how much you mean to me  
I will be your rock when things get hard  
Just know I'll be here for you no matter where you are  
I would swim the ocean just to be by your side  
God blessed me by putting you in my life  
I am so lucky just because I have you next to me  
Without you around I'd go bat shit crazy  
Just know you're my one and only  
I feel safe and secure when you hold me  
I promise you that I will never leave  
I'm ecstatic you'll spend forever with me  
No one else could ever come close to your perfection  
This love of ours is never ending

I dedicate this poem to my husband and soulmate Antony John Melnichenko for i would be lost without him

# The Light In My Life

Since i was a little girl ive gone through nothing but harships.  
I found my way with nothing lighting the way.  
Ive been battered and bruised.  
Ive been torn apart and stolen from my family.  
Ive been lied to by everyone i ever trusted.  
But theres always been one person who takes me away from all that.  
She takes me away from this evil world.  
She helps me find a solution when i think there is none.  
She helps me know wrong from right.  
she helps me to go on in life.  
I've tried to end my life numerous amounts of times.  
But she came along and picked me up off the ground and cleaned my internal  
wounds.  
She wiped away the tears caused by others.  
I would do anything for her.  
i would die in her place.  
just to let her live yet another day.  
she is the light in my life.  
when the sun is gone she is there.  
making all the pain disappear.  
I never thought i could find anyone like this.  
but shes been here all along.  
She finds a way to buy me presents when she has no money.  
She showed me what happened and why.  
The person whose done this for me is my mother.  
There is no other.  
My mom is the light in my life.  
She brings joy to my strife.
