# Green Things

I know of a lot of Green things  
Green things are Everywhere  
As people we enjoy Green Things  
Green Things should be cared for

I know of a lot of Green Things  
Green Things are alive  
As people we care for Green Things  
Green Things should be cared for.

Look around and see for yourself  
Look around and share the wealth

# No Sink No Tub No Shower

It's been three solid weeks  
since the men took our sink

We were only prepared for a week

The men took our shower  
and we had no running water  
and we went without  
washing our feet

We then had no thrown  
and had to leave home  
or take a walk by the weeds

I know this sounds strange  
but someone arranged  
a couple of showers  
a week

# Smile

I know of a man that walked for miles, miles and miles  
He liked to listen To

He was an 80's man  
and I shook his hand

but he never cracked a smile

# Sneakers

I bet You Think This  
Is About Sneakers  
That You Wear  
On You're Feet

Nope;

It's About A Kitten  
Named  
Sneakers  
That Loves  
To Eat

'Chow'

# The Reverend

I new of a man called The Reverend  
He was not your ordinary Man Of The Cloth

He was a scary old goat

He cooked special hamburgs and  
Preached with his eyes closed

I saw the whites of his eyes and  
ran out the door and forgot my damn coat
