# On Valentine

Dear, I miss you  
It's been a while since I see u,  
Hardly to live a side,  
It is like you're here,  
Thus, days and nights, I dream about u.

Your memories write a good story,  
And, in the midst of chapter,  
you're my favorite character,  
The scene of your play brings my sense,  
This is to say, I will be your actor.

Happy to remember the distance u travel to follow me,  
So fun to wear the staff you buy for me,  
It is very pleasurable to eat your fine dish,  
Ooh my dear, our time is near,  
Gladly, I will never let you down.

When wearing a marriage ring,  
It will be like dreaming to have u besides, my love,  
My suit will unfit, your love will uplift it,  
My precious, beautiful and faithful wife,  
The one and only, death will set us apart.

Enjoy valentine, I love you.

# When We Meet Again

A day before valentine day,  
I had a chat with doctor A,  
she tell me she have many wishes,  
ooh I wish...ooh I wish..ooh I wish,  
I wish to be there my love,  
I wish to hug you my love,  
I wish to kiss you my love,  
but I reply,  
I beg you this my princess,  
do not wishes me, just do me.

That night I was go nable,  
a few massages from her entail,  
it expose how she is real in love with me,  
once she said,  
Tomorrow, never go out the school campus,  
I will make a video call time to time,  
but I reply,  
don't do that to the man you love, and  
to the man who respect you,  
she only smile.

The memories was reproduce a day,  
It create a better day to come, someday,  
that is the day "we will meet again",  
Ooh that day,  
the moon will rise to the maximum,  
the sun will bright so gently,  
garden flower will broom, and  
bird in the sky will sing,  
"A beautiful day, someday;  
to the beautiful couple.

When will meet again; me and doctor A,  
It would be like that, that day,  
Me- I will wear black trouza and blue shirt,  
Doctor A- I will wear kitenge skirt and its shirt,  
Me- my favorites food will be carrot cake with juice,  
Doctor A- I will prefer pilau with coke,

Me- we will go out that day,  
Doctor A- we will stay home that day,  
Ooh that day,  
a beautiful day, someday to the beautiful couple.

A day before valentine day,  
My heart was over there,  
my lovely bed was not a safe place that night,  
I really remember her, Doctor A,  
I wish I will be there,  
I wish you would be here,  
but ooh  
your not here, um not there, so  
I wish you best of lucky when waiting for that day,  
a day "WHEN WE MEET AGAIN"

# Please Go

I didn't notice it,  
Since you speak out,  
Come on..  
I fell for you and,  
Now I look like fool.

Ignoring text, delete without reading,  
Mute call, blacklist my # all is well  
Never mind...  
Your wind take me away, and,  
Your heart isn't safe place to stay.

It's sound enjoying this drama,  
Take camera, coming with photos,  
Happy without me, do well go well,  
Remove this fake smile, and,  
Burnt your empty heart.

The moment I woke up, and,  
Realising the truth of your themes, and,  
All love you had is fake, but,  
At this moment I write, I love you... but,  
Please go away...

# How A Glady

album in my brain,  
is a studio of your beauty,  
in sun in rain,  
your the one I love.

you value womenliness,  
any-day is brand new day,  
for happiness you give,  
the moment of charm.

on the day of our marriage,  
I will say,  
your very special gift God give,  
until the end of my breath.

# My Boy

I know many thing about you,  
the way we used to be,  
and love it with humor,  
because it was true,  
sometimes I feel so lonely,  
for all past we have been through,  
so i remember you,  
for all sickness I have.

Lonely, dear is hurting,  
never know this will pass,  
in the garden morning prayer,  
birds join my crying,  
and no one cares about,  
it's only you, you my boy,  
so I remember you,  
fr all sickness I have.

Why do I believe,  
if will be easy day,  
yes, you tel me it will be,  
but, sometimes is too lonely,  
I am sick,  
and your baby dance in my womb,  
so I remember you,  
for all sickness I have.

# I, You

If would be I  
it could be you  
You and I should be they  
if the same mean I  
change mean you  
I wish the world would You  
you will be good as you an I  
life never be I

I look out see you  
you like angel reflect they  
I know truth you believe it  
nothing important than you  
You love me I love you  
you and I should take easy

as longer as you fear they  
you will never stop  
I will take a new form  
you and I look like

# Desicion

Brain had two way  
but heart had many  
I have two thing  
one beautifu, second big  
the fist is clever and wild  
another stanborn and gilt  
when wrong when fall  
when win when peace  
to choose the best one...

what if I had eight  
both different and quality  
I will ask a favour  
even right or law  
but what if I got wrong?  
and what if I win?  
brain had two way  
but heart had many.

# Vijiti Vyake

alitikisa matawi mkutimkuti  
yakajitega kubwa dogo la mti  
eeh wale waliwao si mimi  
likapiga ngurumo milimani  
mashambani nyumbani limti  
awezae ona asemaye sema hivi  
walianza alimaliza watoo wote  
vimti mizizi shina na matawi..

shida ya shina matawi katikati  
paa ukawa mpaka wa shamba ili  
mzalendo alikufa ndie mizizi  
matawi vipofu vilema viziwi  
aliko umia embe ukatika tikiti  
mkiki mkiki vidonda majonzi  
vimti mizizi shina na mtawi..

alioa apate jamvi likawa zizi  
matope yakapanda wakaja inzi  
mizizi imekufa vipi shina ustahimili  
wazee wabusara tafsirini hili  
hamsini ukakopa ukatumia ishilini  
kivipi na ulikua na thelathini  
shauku ya kuolewa kooa mzazi  
vimti mizizi shina na matawi..

ukienda kwa mke mgeni mlango wazi  
ukirudi imefungwa watoto salimini  
alikua farida amini na tumaini  
umekuta mara tano ujauliza nini  
makofi tume zaa hakuna harusi  
jogoo wakwetu huwika alfajiri  
vimti mizizi shina na matawi.

# Mizani

jicho si lake hilo  
nimtu mtumwapo  
umlizaye niulize nduguyo  
huku mtwaa waliko  
ampendae raha tabu ipo  
shida nyigine hazinaga kingo

haendage mkondo ni mto  
pasipo shaka haidhuru mtoto  
safi tena kumlundikia huko  
mwepesi hajutae hajuae chanzo  
roho haina chungu yake funzo  
mbea anajua asie ni wewe kizito  
raha karaha...

hanaye na baba na mamaye oo  
umlezi wakuwa je umliko  
panga upangue si vema oo  
dunia majanga nyumba mchanga oo  
ukimaliza uhai afrika chupa zipo

# Mimi Katikati

Mapenzi ni upeo, mwepesi ka pazia  
simaan upatapo, kiagama utanguka  
usipitishe mkono, hali kawii funuka  
mapenzi maagano, ingawa tupo watatu.

ninani zaidi ya kioo, awezae nichambua  
ni baya langu umbo, siri ilo fichika  
ni vaapo urembo, nidhamu naishika  
mapenzi maagano, ingawa tupo watatu.

nampenda wakidato, ndiye niliye mkolea  
kafungwa yake shingo, hajui wangu ubaya  
nimemnyima tendo, alisema kalidhika  
mapenzi maagano, ingawa tupo watatu.

nilimbusu mikono, mwilini akunishika  
akuleta mzozo, nilijua kalidhika  
pingu si uzalendo, siri imefichuka  
mapenzi maagano, ingawa tupo watatu.

kumbe mimi kajogoo, tetea yupo kimara  
uendanaye kariakoo, shoppingi yao posta  
kafungwa yake shingo, tendo apati kwakea  
mapenzi maagano, ingawa tupo watatu.

judi wa makumbusho, ndiko anako lala  
nasikia si kwa godoro, chini ndio ujilaza  
hakuna apatacho, judi anataka ndoa  
mapenzi maagano, ingawa tupo watatu.

mapenzi ni mwanzo, apendaye kwake giza  
navigumu kujua uhongo, utamu rahisi kukolea  
sita mmpa kifungo, siri imefichuka  
mapenzi maagano, ingawa tupo watatu.

# The World That Pull

No the way  
no one who live as wished to live  
mh, you ought to do  
you do what you never ought  
you think and you plan  
whats fulfilled never been planed  
you is doctor  
your son dictator  
no the way

no way  
you find the light  
you still passing in dark  
you keep the promise  
no one to believe you  
you find peace, your family die  
you keep secret, some one corrupt  
no way

there is no way for good  
is this world that good  
world which connected in heaven  
disconnected in earth  
there is no way

# Chumba Cha Juu

ukubwa umbali wake  
salama kiko mbali  
napenda mlango wake  
umegeukia mashariki  
ndivyo walivyo wazee  
hupenda kutenda haki  
yamkini wangejua  
bora kiwe mbali

kimezingilwa na mitete  
uzio wake vimti  
jua upitisha miale  
mlango wake niwazi  
sauti za wanawake  
unikatisha kazi  
yamkini wangejua  
bora kiwe karibu

asubuhi nala mikate  
jioni wali samaki  
naziepuka kande  
tabu hazizoeleki  
najibana hata itokee  
usiku mimi sitoki  
yamkini wangujua  
bora kiwe karibu

furaha kwenye sherehe  
ukiendesha hawasikii  
akija yule mzee  
aendaye hato riziki  
huto sikia kelele  
basi huko hakutoshiki  
yamkini wangejua  
bora kiwe karibu

# Hatima

Nivigumu kumeza  
yapitayo kooni mwangu  
nimaumivu mazito  
yachosha kifua changu  
eeh mora nisaidie  
nisahau msiba na wake uchungu

mimi sikitu bure  
maisha toba yangu  
furaha huzuni yangu  
umaskini ukaniponza  
liziki imenipa uwepo  
na yadhata mapenzi yametoweka

ni faida ya wafitini  
kula sahani yangu  
yao ya akilini  
nikawaza yupi ndugu nami  
leo kaniibia  
kesho yu nyumbani kwangu  
eeh mora nisaidie  
nisahau misiba nawake uchungu

yeye si yupo nami  
kanichoma mkuki shingoni  
damu yake ya kwangu  
leo kanipa ya shetani  
nipite uende uendako  
usiage tena usirudi  
liziki imenipa uwepo  
na yadhata mapenzi yametoweka

kila siku upo kwangu  
ndugu yako shoga yako  
yamkini umnafiki wewe  
ujapo uja na umbea wako  
eeh mora nisaidie  
nisahau msiba nawake uchungu

sibora unge mfariji  
liziki yako angekumbuka  
leo kajaa upepo  
mimi sili wala silali  
miaka sija mwona  
hanitamani hanipendi  
liziki imenipa uwepo  
na yadhata mapenzi yametoweka.

# The Man I Adore

It has been a while since I met you,  
your love drive me crazy.  
Its only you I aspire,  
please come back to me.  
Day has passed on,  
and its long since I saw your face.  
Badly I miss you,  
I wonder when will I see you once again.  
Please do come back for me.

It started so lovingly,  
deep and sweet love you showed me,  
Taking care of me was your concern,  
Deeply I loved you,  
Thou I rejected your proposal at the beginning,  
But you were the man I adored,  
Please do come back for me.

Later on I came to swim in a dam of tears,  
Sadness and hurt pressure were all mine,  
Still you were the man I adored,  
Finding you with Gal was the greatest heart attack,  
But I withstand coz you were the one I love.  
Aah! Hard to remember all sorts of things,  
People considered me as crazy and ignorant for loving you,  
The despises were huge as it was a price of mamous love I had for you,  
Still now I love you and I need you,  
The gate of my heart is wide open for u,  
Pleas come back for me.

Your warmly welcome again,  
I love you genuinely,  
please come back

# Is This Freedom

When i look in the sky  
i saw reason to fly  
reaching apex flyby  
let me fly  
like a man  
who know real freedom  
let me fly..

i saw many reason to fly  
thus why i born nimby  
i guess world get nippy  
my nerves cant allow night-gritty  
like man  
who know real freedom  
let me fly..

reaching apex flyby  
i am real man with ability  
shouldn't assist abnormality  
slave and prisoner abundantly  
government took it like accidentality  
like man  
who know earl freedom  
let me fly..

let me fly  
all servitor are daffy  
i had strong feeling to earnestly  
my brain is only facility  
poor and sickness gainsay  
like man  
who know real freedom  
let me fly..

i had pressure of fly over  
people suffer in this gaoler  
only freedom is makeover  
gift of painkiller  
is this freedom?

freedom of suffering and dying  
is this freedom?  
like a man  
who know real freedom  
let me fly.

# Holder

Feeling sweet hokum  
I'm hoisting this dream  
hold me, hold me up  
hold me up I'm in hole  
voice holler dia surprise  
I can fill it  
I can sense it  
I can touch it  
I'm holder.

When I dream at night  
two men stand beside our bed  
should understand that I fear  
some one coughs  
some one in-love with you  
all are looking to you dia surprise  
I can recognize it  
I can understand it  
I'm holder.

Day time with moon  
cold hasty touch my bones  
your the one to know where hot is  
some one to hold me  
I'm in-love with you  
all are in my hands dia surprise  
I can sense it  
I can know it  
I'm holder.

When our heart met again,  
could be new life at a moment  
will take and share my world  
some one to to love you  
together we can dia surprise  
I can feel it  
I believe it  
I'm holder.

# Player

I am ROBORT  
..controlled by remote  
..can drive me left  
..call me right  
..send me in fight  
Lift me on EARTH...

I am ROBORT  
They kick me in dark  
..shop and sell in hot  
..paint me with black or white  
I'm driven crazy...

I am ROBORT  
move with steps  
runs with player's  
Inter-controlled by computer  
I am memory store  
and fire in wood..

I am ROBORT  
and your my voice when  
..your my strength's when  
..your my eyes when  
I am your's  
because i controlled.
