When I fail I still feel to have succeeded because the one who failed me has not done his or her job right in being judgmental So I better take the credit of having been Successful

# Broken Friendship Left Overs Here

What is left over a little  
in a broken friendship is  
few photos of the friend that are  
left over with you that  
you can see in the  
memory of your friend.

# Chasing Upon Dreams And The Real Chasers!

The one who chase upon his dreams  
Will not chase for Money as  
Money is only essential for life  
Not essential for achieving one's dreams  
The dreams and the realization of it is  
What the Soul is looking for in himself  
Thus striving to realize the dreams is utmost important for oneself  
And hence become the real Chasers

# Friendship Isn't All About Flattery But Still Necessary!

Friendship without flattery  
is like  
the Ocean without its Waves  
and so  
it is necessary to keep it  
little more musical, rhythmic and lively! !

# Fun And Seriousness In Cyclic Form Exists In A Love Everlasting

When the fun at the end becomes serious one  
When it is not anymore seriousness it ends up to be fun;  
Fun and seriousness in a cyclic form  
One after another in life and in a longing love too of a woman for her man  
though innately everlasting love it is!

# Money And Relations And Inequality Among People

Money when gained over and above the other person  
say it a  
relations, or friends, or spouse or anyone in acquaintance  
does automatically reduces the value of the other person  
is what I refer inequality of economy status of  
relations, or friends, or spouse or anyone in acquaintance  
and it doesn't make it a real take-away from Life  
sooner or later the individuals realize the value of the people over and above  
money  
which is nature gifted progressive life over Time

# Parents Are Life's Invaluable Gift

It isn't sufficient to say thanks to parents  
I owe a lot to my parents  
for they have given birth to me
