Unique

Who doesn't wake up with perfect hair? Who doesn't mind eating a big bag of chips instead of a salad? Who would rather spend the day in sweatpants than skinny jeans? Who loves the comfort of t-shirts? Who don't get all the guys? Who aren't popular but fell like it? Who sticks with sneakers instead of heels? Who aren't afraid to break a nail or two? Who doesn't always get there ways? Who doesn't always get what they want? LIKE ME ITS OK TO BE UNIQUE.
