# A Dream

i saw a dream  
with flowers in the garden  
with the breeze in a sudden  
with the birds singing  
with the bees beeeng

i saw a dream  
with a beautiful life  
having a adorable wife  
with a sweet face  
in a sensitive case

i saw a dream  
a friend was there  
still is here  
a sweet sister was there  
with a caring hand over my hair

i saw a dream  
with beautiful thoughts  
with a lots of hope  
was happy bcoz i have friends  
and a sister more than friends

i saw a dream  
of complete life  
became so much happy  
but i forgot its just a dream  
will over as soon as i am waking

i saw a dream  
is it my fault?  
i thought everything mine  
but they were in my dream  
they were always far from mine

its just a dream  
which is now over

i am still here  
the stupid innocent flower

the dream is over  
nomore bees are there  
no breeze is there  
no birds are there

the dream is over  
i am stunned again  
i am alone  
noone is here  
just me and my loneliness is here

the dream is over  
the relationship is also over  
the caring is just now flirting  
and the sweet words are now paining

the dream is over  
now feeling the truth  
the smiling tooth  
the sweet thoughts and  
the emotional crafts

the dream is over  
it was not mine  
bcoz i was just a guest there  
played some bad innings  
and left losing the heart in stead of earning

the dream is over  
i am thankful to my friends and sister  
now i am over  
seeing the tomorrow  
planning for the future  
hoping not to be a creature  
living here and there

dream is over

# A Girl

its a last poem for you  
i was wishing i would never write  
but i am writing and you know what it means...

a girl  
just a girl  
but became the goddess for me  
slowly when she came closer  
became a friend  
won my heart  
bought everything i have my own...

i have feeling for the girl  
i want to leave her as i am not her anymore  
as i am just a tree without leaves for her  
a sky who has no color  
a bird without wings  
a old man without hand and legs

she wants to leave me and staying becoz he has not said yes to her  
she has not decded becoz she still thinking she can get him  
she has no feelings for me but i am waiting  
why? ? ? i don't know  
but now quitting  
taking back a broken heart which was cured by this girl  
she became the goddess and i am stil he worst one  
i hurt her  
bu how much i got hurt  
nobody cares  
let me hurt  
i deserve this  
i betrayed her  
so i have to leave  
i have to leve everything  
have fun my goddesss  
have fun my kay  
its the last time i am saying you mine

as you are not mine anymore.....

i thought we will fly in the sky  
we will touch the blue sky  
play in the clouds  
but i have nevr thought we will fall with the clouds  
tears will rain in the place of water  
love will become painful  
and will stab the beutiful heart we evr care

# A Girl Of My Life

The girl of my life  
Turned me on  
Made me stun  
Told me hon.

The girl of my life  
Said me be man  
Come with me you will get fun  
Never leave you hon.  
Never make you alone

The girl of my life  
Changed my feelings  
Care my feelings  
Loved my feelings  
And described how valuable the feelings

The girl of my life  
Who came with a spring in my life  
Who made me feel that every season is spring if she is in my life  
Who just show me how much innocence is in my life  
What should i do in my life  
The girl of my life  
Who was a blessing for me  
Who was not a girl a goddess for me  
Whose voice was so adorable than every singers  
Whose only word makes me feel the heaven  
Whose one cute smile make the best for her  
Whose one word hurt me so much that i deleted some of mine internet accounts

The girl of my life  
Whom i love so much  
Whom i wanna marry  
Whom i wanna make mine forever  
And ever and ever and ever  
who is the one except who i cannot think anything  
Who is my destiny

THE GIRL OF MY LIFE

MY RYTHIM OF LIFE  
MY LOVE OF LIFE  
MY HEART OF LIFE  
MY POEM OF LIFE  
MY SONG OF LIFE  
MY DESTINY OF LIFE  
MY AIM OF LIFE  
MY DREAM OF LIFE  
MY ANGEL OF LIFE  
MY ANGEL DREAMY OF LIFE  
THE SWEETEST THING OF MY LIFE  
THE ONE AND ONLY POSIBILITY OF MY LIFE  
THE GIRL OF MY LIFE  
THE REAL LIVE OF MY LIFE  
THE FUTURE OF MY LIFE  
THE UNSAID WORDS OF MY LIFE  
THE NE AND ONLY BODY LANGUAGE OF MY LIFE  
THE DEPATURE AND BREAK WAS THE SADDEST PART OF MY LIFE  
THE GIRL OF MY LIFE  
A GIRL OF MY LIFE

# I Am Crying

I am crying  
because something wrong with me.....  
i am crying  
because no one with me can console me.....  
i am crying  
because i am scared about loosing a relationship.....  
i am crying.  
because my love is not with me  
i am crying  
because she could not understand why i am crying.....

# I Miss U

I miss u in the mirror as it does not reflect u in my eyes  
I miss u in my arm when I feel I am alone in the shades  
I miss u when a girl shys  
I miss u when a bird flies  
I miss u when rain starts toopur toopur  
I miss u when I heard leafs mutter  
I miss u seeing a purple saree  
I miss u seeing a talking eye  
I miss u in a pic standing like a queen  
I miss u serving a chat for u and me  
I miss u in my arms  
I miss u in my nights  
I miss u when oggy runs after cockroaches  
I miss u when bacardi and bear flashes  
I miss u in the late night thinking of the old times  
I miss u searching for help on new reciepies  
I miss u when I see the phone ringing but its not a call of yours  
I miss u when I try to call u but cut it as u r busy in urs  
I miss u in facebook  
I miss u in every book

# Love Is In My Thought

Love is blind  
Love is eyed  
Love is sweet  
Love is bitter  
Love is care  
Love is hesitation  
Love is bare  
Love is dare  
Love is peace  
Love is violent  
Love is clear  
Love is dirty  
Love is prominent  
Love is contaminate  
Love is heaven  
Love is hell  
Love is crashing  
Love is sticky  
Love is critical  
Love is mythological  
Love is brittle  
Love is malleable  
Love is capable  
Love is stressful  
Love is innocent  
Love is violent  
Love is best  
Love is worst  
Love is nothing  
But love is everything  
Love is god  
Love is devil  
Love is evil  
Love is shining sun  
Love is blinking moon  
Love is beautiful earth  
Love is the worst larva of earth  
Love is hurting  
Love is paining

But love is lovable and love is pain clear  
Love is like this  
Love is like that  
Love is too much  
I can not describe  
Look in side dear reader  
You will find love everywhere hidden but prominent when looks closer  
Love is not enough to understand but its  
For me is love  
I love the love and love doesnot love me

p.s. Its my thought abt love.i don't know what you think.....sry if my words are hurting....

# Love Is.....

love flows like a fountain  
rains like a snow fall  
mutters like a tremblibg leaf  
scare like a scary movie  
smiles like monalisa  
cries like a little baby  
twinkles like a star  
blinks like a moon  
stares like sun  
sings like cuckoo

it makes us feel happy  
makes us cry  
makes us feel how beautiful the world is  
how dim we are in the shine of love  
how glitters in our life  
how literate the love is  
how cute and sweet the love is...

# My Heart Is Burning

Heart is burning thinking of you  
Smelling the jealousy of mine for your ex-one  
Thinking always what was my fault  
Why did you do this with me? ? ? ?  
Saying "I love you" you just turned around and  
Told me "leave me alone I am not yours  
My heart is burning for another one, my ex-one"

My heart is crying thinking of you  
You had told me you love me & will marry me  
Showed a lot of dreams  
Traveled with me around the garden for catching a butterfly and  
When I caught it for you you kissed me and told" you are all for me"  
But now you are saying your heart is burning for the ex-one

My heart is burning loving you  
Wanna kill myself as I am the stupid idiot fell in love and trusted you blindly  
And now burning seriously in the fire of our wonderful past  
Wanna throw myself from the top of the hill  
Wanna stab my heart and drove you out of this  
Wanna die in such a way that my next birth will afraid of loving someone like this  
Still my heart is burning wanna the cold, sweet breeze of your love to extinguish  
it

Want the soft touch of your hands on my cheek with a sweet look and a smile on  
your face for me  
Want to listen the gentle and soft voice of your saying I love you babe  
Wanna sleep in your arms and tell you every pain of my life  
Wanna keep you in my heart forever and will never let you go  
My heart is burning  
P.S. its for her who ditched me in a worst way the bad girl in real

# My Sis Written For Me

Oh brother  
O brother  
Of mine! ! ! ! !  
Like a silent  
starry night  
immersed in  
gleaming light  
thou remains  
quietly in my heart  
like that start  
of the tranquil morn.  
My life, my world  
thou filled with sunshine  
You are like that star  
guideth thy light on me  
your wakeful eyes  
remain covered  
encompassing me  
with watchful protection  
All my dreams  
all my sorrows  
thou shareth  
like a sponge that  
absorbs drops of water  
into that silent night.

# Once Upon A Time

once upon a time

i was a happy boy  
having sweet sweet cloy  
lots of noise  
i was among hte boys

i was a leader  
the wicked leader  
loving to play  
with a bat and ball

i love people to help  
that will make me stupid  
i have never thought  
i was innocent just

now i am a heart broken  
just like a coward man  
leaving the battle  
bcoz he was a fighter in a castle

he is no more a wicked leader  
a toy of breaking creature  
the fool of emotions  
the worst boy ever

no i am leaving  
bcoz i don't want to be rubbish  
i just want to be the innocent  
who has a cute pangent

nothing more to write  
its makes my heart tight  
my eyes full of tear  
bcoz i was attached to a sister

but now i am a bit happy also  
i thought a lot also

she never taught me  
but i learned a lot from she

a sweet lil girl  
came here to me  
made fun with me  
went away saying a lier  
bcoz i was a promise keeper

a girl again came in my lif  
asking me for care  
when i did care  
she is over there

wooh what a fun going on  
lots of things happenig on  
why all are so for me  
bcoz i am fool and all are genus more than me

may be this is the truth  
may be i am fool  
but onething i learned  
internet friend are good if they are there  
don't keep them here

# Time To Say Goodbye

We could have been  
Two birds  
That flew away together  
We could have been  
In love forever  
We could have been  
Two roses  
Intertwined together  
We could have been  
Everything  
But now we are nothing  
Because you chose to  
Say Goodbye  
The flowers cry  
The birds don't sing  
The moon no longer  
Smiles down on me  
Because they were there  
When you left me  
My cheeks  
Are tearstained  
My eyes  
Bloodshot  
My hearts shattered  
I no longer  
Want to live  
It rains and rains  
Because even  
The sky is crying  
Everything is mourning  
Because you said Goodbye

NB: my jess had written for me as she was thinking i wanna say her good bye

# Want To Say This

Coming and going□

You are coming in to my life slowly

Moving faster than I can move

And leaving me more faster even no time for saying a final goodbye

Loving and hating

First I fell in love

It was loving

We came closer it was love growing

I missed her It was avoiding

At last we detached

It is hurting

And now I hate hurting

It is hating

Keeping and giving up

Although she was leaving I was trying to keep

She was giving up still I was trying

Keeping her close to heart

But still she is leaving

Its for her to giving up

And for me trying to keep her to me

rajnish for you

# You & Me

You like me and i like you  
but its unexpressable that how much i like you,  
the foods may not the liking of me liked by you  
but i will love always as much as you,  
controversies may make a battle field for me and you  
but our understanding will create the love in me and you  
the way i like the thing may not be suitable for you  
but our faith will adjust the love percentage between me and you  
the way of thinking may be vary from you  
but my destiny will be always you you and you  
love you
