Reservation

Reservation

Make, stronger the strongest sounds very pretty,
Ineligible finds the fruit being very tricky,
Mulishman holds the fruit being very greedy,
Sometimes this system seems very Fricky,
But, Reservation is a remedy not an identity.

'Will You Be My Valentine? '

I haven't toiled for you and so have you,
You are not the sole reason why i exist,
You have done nothing for me and so have I,
Still I approach you,
Will you be my valentine? Will you be my valentine?

So many permutations applied,
You can't try everyone,
When no one is perfect, even you....
Why to wait for the perfect combination?
You din't approach me,
Still I approach you,
Will you be my valentine? Will you be my valentine?

I have never been choosy,
Nor am I demanding,
I don't think of you the whole day,
Nor ever I give you a buzz,
Believe me or not,
There lies certainty in my love,
I never opined about you nor got yours,
But aware of your self-determination,
That's why, I approach you,
Will you be my valentine? Will you be my valentine?

I am not a jerk,
Nor bloody stalker,
Have faced so many jerks,
But don't want to be your soccer,
I am very straight,
Having little weight,
I am on my journey,
Where every stop is a destination,
Knowing that,
I am not destined for you nor you for me,
Still I approach you,
Will you be my valentine? Will you be my valentine?
