All I Need Is You

Lost in your thoughts
Missing my dove
Loneliness creeping in
Casting gloom and darkness
Like a raging tornado
Sucking away my life's happiness
No matter how hard I try to pacify myself
Just can't stop thinking about you
I'm not asking for a lot
All I need is you

San Jiwan Singh

'Cradled Within Twenty Four Columns'

It's been ignited by flares of her beauty
Incited by her sensuality and charm
Flames invisible to the world
Flames rising in faith and pure

Raging to incinerate her frozen feelings
Longing to engulf her in this holy fire
Craving to melt her in flames of love
Binding her to the invisible love

Glowing passionately in its own allure
Glittering in hope and expectation
Gallop on the path destined by God's
Glossed by the the enticement of Venus

It'll burn hard for you to feel
It'll not cease for its yours forever
It'll not wane since Its fated to be yours
It'll not extinguish till you are his

San Jiwan Singh

Full Moon

The sky is lit in the splendour of a full moon
Making me think about the sweet magic of my angels beauty
She's captured my heart and won my soul
Wishing to see her tonight in the silvery light
Gazing under the lovers moon for her gorgeous looks
This pretty has got me insane
O' I'm going lunatic in love
Want the moon to take my message of love to my maiden
Whispering the sound of my heartbeat into her ears
Melting her in the swooning moonlight

San Jiwan Singh

Have I Been Forgotten

Have you left me at the shores alone
Have I been forgotten
But my hearts rooted to you
Everything around carries me to you
You are right inside of me
Wandering in those thoughts and the blissful moments
Ah' my love I seek you
As long as I live
That fire is still burning within me
In the sweet memories
In me nothing is extinguished
Nor those time spent together forgotten
Each day each hour each moment,
I feel you are destined for me.

San Jiwan Singh

I Offer You My Heart

O' BEAUTIFUL I ADORE
I LOVE YOUR EYES, I LOVE YOUR SMILE
A TWINKLING LOOK SO WARM AND GENTLE
I OFFER YOU MY HEART, MY STRENGTH
MY LOVE IS YOURS FOREVER
ILL GIVE TO YOU MY THOUGHTS, MY PRAYERS, MY HOPES
JUST GIVE ME YOUR HEART TO LOVE
BE MINE FOR ONCE

San Jiwan Singh

Nightfall

Its a lovely night
In my solitary dream
Holding you close to me
Feeling your warmth crawling into me
Listening to your vigorous heartbeat
To the tenor of love
Lips numb from that passionate kiss
O' night don't break to dawn
I'm not letting her go

San Jiwan Singh

'Want To Hold Your Hands Until My Heart Stops Beating'

CAN I HOLD YOUR HANDS, FOR MY LONELINESS TO FLY
CAN I CLUTCH ON TO THEM, FOR MY WORRIES TO DIE
CAN I HOLD ON TO THEM WHEN I'M HURT AND PAINED
CAN I LOOK UPON YOU WHEN I'M SORROW AND LOST
CAN I HOLD YOUR HANDS TILL MY JOURNEY ENDS.

San Jiwan Singh

You Are My Life

You are the smile within my heart
The life within my soul
You are the joy within my laughter
The half that makes me whole
You are the twinkle in my eyes
The hope in all my dreams
You are the inspiration in all i do
You are my love that keeps me alive
You are my destiny
You are all i really need
You are my tomorrow and mine forever.
