# Go Ahead

ignore me  
i dont care  
im not lonley  
i just cant bare  
to think that you and me  
used to be  
you and me together?  
i guess its better  
to say it wasnt right  
than to stay here and fight  
go ahead, stay mad  
ill just be sad  
if you ignore,  
but just remember  
im not lonely

# Summer Love

Love is like summer  
Its all fun and games  
Then it all ends
