# A Girls True Beauty

beauty is hard to find  
but when I look at you  
its all I see.

your smile so beautiful  
your laugh  
everything about you.

I miss you everyday  
dream about you at night  
it feels so real. until i'm  
actually with you.

I want to hold you in my  
arms and love you forever.

sarah wilksch

# Baby

Baby I think about you  
day and night.  
these feelings I have  
feel so right

Baby I'll give you my  
heart  
promise you we'll never  
be apart

Baby be there when I  
need you  
show me these feelings  
are true

Baby I'll cross every  
ocean  
go all around the  
world,  
until i'm your girl

Baby I'll always fight  
for what is right  
Just hold me in your arms  
don't let go  
I'll promise to love you  
so

# Beauty Of A Girl

beauty is hard to find  
but when I look at you its all I see.

your smile  
your laugh  
everything makes me fall in love with you  
even more.

when i'm around you it feels so right  
and when I dream about you  
every night I wanna hold you tight.

those little imperfections are what I love  
about you.

the way you don't care what people think  
your uncontrollable laughter  
and your perfect smile.

the way your body looks,  
and how your hair falls prefectly into place.

make me love you more  
everyday, forever.

# Feelings You Give Me

When I first saw you  
you caught my eye.  
The feelings I have  
I can't hide.  
The things I feel  
the words I say  
make me fall in love  
with you more each day

these are the feelings you give me.

sarah wilksch

# Heart Broken

You broke my heart  
You tore me apart.  
where I went wrong  
I don't know  
my love for you was strong  
but I still love you so.  
I'm such a fool  
and your just a tool.  
while my hearts breaking  
you'll keep taking

sarah wilksch

# Horrible Love Poem

you kissed me I fell  
for you.  
forever in your arms  
where i'll be.

you said you love me,  
I'll love  
to.

you played with my heart  
tore it apart.

never again should  
I fall.  
find true love

your to blame  
my heart in pain  
broken forever and  
always.

# I Love You

When I told you I love you  
I was afraid.  
Not knowing if i'd scare you  
away.  
your the reason I live and breathe  
and baby I love you  
I don't know how much love  
I can give.  
but i'll give it all  
until you fall in love with me.  
together forever and never alone  
I can't wait to call you my own.

I love you

# If I Could Have One Wish

to have you hold me in your  
arms.  
to have you tell me you love me.  
to be your girl forever.  
to wake up every morning,  
next to you.  
to kiss you everyday for the,  
rest of my life.  
to be the only girl who makes  
you happy.  
my last wish would be to be  
the girl who holds your heart forever.

# I'll Be There

when your alone and need a hand I'll be there.  
when the rain is pouring and you need shelter i'll be there.  
when you've been crying i'll be there.  
when your lost and can't find your way home i'll be there.  
when you need someone to talk to i'll be there

no matter what i'll be there

# Let Us Love

Touch me gently with your hands,  
Whisper softly in my ear.  
Lay me down on the bed.

let us make love into the night,  
let us wake looking into each others  
eyes.

kiss me passionately  
tell me you love me  
hold me, and never let me go.

sarah wilksch

# Love Again

You looked me in the eye  
I fell in love  
it's like your an angel sent from above  
You told me you want me  
I wanted you back  
I honestly couldn't argue with that  
it's been so long for us now  
i'm starting to wonder how  
could we possibly love again

sarah wilksch

# Love Lost

From the time we've spent together  
to where we are now.  
we've come so far so why should we stop now  
once we we're able to love  
so why not again.  
I want you to know i'll love you till the end.  
we've been through the good  
and the bad  
but why should we let go of what we've had  
our love isn't lost  
it's all still there so I need to know if you  
still care.

sarah wilksch

# My Angel

the day I lost you  
my world fell apart  
but don't forget you'll always be  
in my heart  
I cried for days  
for months  
and weeks  
but don't forget how much you mean  
to me  
you were my pop  
the greatest man

but don't forget you'll always be  
my angel

sarah wilksch

# My Bestfriend

my bestfriend is short but  
sweet  
the greatest person you could ever  
meet  
she's always there  
and always cares  
surely there's no one the same  
when i'm sad she's by my side  
she's the one who's my guide  
her smile so gentle  
and heart of gold  
this friendship we have  
will never grow old  
we've been through the thick  
and the thin  
but we can find the strength within  
to fight through it all  
no matter what because it's  
a strong friendship we've got

this poem is dedicated to the one most important friend of mine who's always  
been there for me, this friendship is one i'll keep for a lifetime because she  
means the world to me.

to my bestfriend never forget I love you xx

sarah wilksch

# My Friend

I don't care what anyone says because you are my friend.  
My life isn't empty because you are my friend.  
You make me smile because you are my friend.  
you make me cry because you are my friend.  
you make me happy because you are my friend.  
your the best because you are my friend.

sarah wilksch

# My Heart Break

I gave you my heart  
you tore it apart,  
Ripped out of me  
and never coming back.  
keep it for all I care  
I don't want it bck  
all worn out and cracked

sarah wilksch

# My Mother

my mother is surely like no other  
she's always there and always cared  
she's got a heart of gold  
because she's my mother  
throughout the good and the bad i'm still  
glad she's my mother  
she's truly an awesome lady  
she puts up with us children  
everyday  
which is ok  
from the times we were little  
to the time now I honestly  
don't know how  
she's the most courageous woman I know  
I want to tell her how much I love  
her so

thankyou mum for being there  
i'll never forget the memories that we share

all of you that read this don't forget to tell your mother how much you love her  
and thank her for everything she's done because she's one of a kind and the best  
person in the world

# Poem For Mike

I wish you were here with me  
right by my side.

These feelings I have  
are hard to hide.

your so confident and sweet  
I can't wait until we meet.

I've dreamt of how life would  
be.

when it's just you and  
me.

I've even had sexy fantasies  
ones that keep me up all night

The day we meet will  
be the best

I'll feel your heart beating  
near my chest.

# Promised Love

in this life we get one chance,  
one chance to love.  
one chance to find that person  
that person who could change our lives  
forever.

you finally came into mine  
I was amazed by your beauty  
your smile  
your laugh  
everything I wanted to be apart of it.

You hooked me in from the very first moment  
you made me feel things  
things i'd never felt.  
I promised myself I would never let you go  
I keep that promise then, now and forever

sarah wilksch

# Sad Love Poem

your on my mind all the time  
and I don't know why.

I wish I didn't feel the way I do,  
your way out to good for me.

my heart runs a mile  
and I can't help but smile.

there's a small fear inside  
that's hard to hide.

As I see you near me  
I feel the fear inside rising.

I know you don't feel the same  
and it tears me apart.

sarah wilksch

# Scare To Fall Just Once More

love is the one feeling that cannot be  
hidden,  
I promised not to fall for ones  
irresistably good looks.  
Scared of what may come of this  
Scared of being betrayed.

your one of those people everyone wants  
and it's hard.  
your charm  
your smile

it's all worth the risk i'm willing to take.

i'm scared to fall just once more.

sarah wilksch

# Thankyou

Thankyou for being the person who likes me for me  
Thankyou for being the person who makes me smile  
Thankyou for being the person who makes me laugh  
Thankyou for being the person who makes me happy  
Thankyou for being the person who listens to me when I needed someone to talk  
to  
Thankyou for being the person I can trust  
Thankyou for being the person who I can love  
Thankyou for being the man of my dreams  
Thankyou for caring about me  
Thankyou for giving me a reason to want to live  
Thankyou for holding my heart and never letting it go

# That's What Friends Are For

i'm ther for you when your down  
i'm there to be your clown  
i'll always make you smile  
and always be there  
so you know I care  
that's what friends are for

sarah wilksch

# The Sad Life

pretending to be happy when deep  
down inside your dying.

Lying to your friends about how you feel  
when all you wanna do is cry.

pretending to love life  
when you really hate it.

feeling hated by those you care  
so much about it.

realising you can't do anything  
anymore.

feeling dead inside.

sarah wilksch

# What I Love About You

What I love about you  
I love your smile  
I love your laugh  
I love your blue eyes  
I love your blonde hair  
I love the way you always stare  
I love the way you make me feel  
and love has become so real

sarah wilksch

# What Is Love?

Love is Wonderful  
Love is Great  
the one true feeling i'll  
never hate.  
Love is shared between  
me and you.  
Love is Beautiful  
Love is real  
These are the things that  
I feel  
In my mind,  
In my heart  
we'll be together  
Forever

sarah wilksch

# What Kind Of Friend Are You

What kind of friend are you

your the kind of friend who's there when i'm down.  
your the kind of friend who makes me laugh

me down what would I do without her? I don't know.

# When I Dream

When I Dream

I dream of you and me,  
thinking of what we can be  
why are you so blind and can't see  
that together forever is what we should be.  
my dreams filled with love,  
everyday I look above  
I see your face and fall more in love.

sarah wilksch

# When I See You

When I see you my heart skips a beat  
when I see you i'm swept off my feet  
when I see you smile I blush  
when I see you I feel a rush  
when I see your sad I feel bad  
when I see you laugh I laugh

sarah wilksch

# When We First Met

sarah wilksch

# When Your

When your sad I'll be your clown.  
When your angry I'll be your punching bag.  
When your cold I'll be your blanket.  
When you cry I'll be your shoulder.  
When your hurt I'll make you better.  
When you fall I'll pick you up.  
When your Lonely I'll always be there.

No matter what I'll always be there for you because you are a true friend.
