Love Spell Magic

Three to four times am letting him,
Tell me the jokes that have already heard,
The story that have already ready,
Movies that have already watched,
Songs that I have already listened.

When am happy he is happy,
Together! The laughs never stop,
He told me how much he loves me,
And I told him how bad I want to kiss him.

He`s the king and am the queen of the chapter,
I will give anything just to be with him,
He is my baby boy, the one and the only,
When I see him I see the world,
He means a lot to me.

King, Major! Centre of my thoughts,
Honey! Loving you is not an option
You are tired, allow me to massage you,
Sad! Am free hug, let me comfort you,
Crying! Will be around, talk to me,
Thirsty! Get it quench, am all yours,
Make me the one you all wanted,
The only one that satisfies you.
