Move On Things

Sometimes we should move on things,
To make oneself happy!

Sometimes we should, Ignore their sayings,
And should have faith on own beliefs.

Sometimes we should follow our intuition,
Because, we can't expect people to believe us! .

Sometimes we should, leave our expectations,
Because, may a times, they can't understand the things! .

Sometimes, they'll make us understand,
that what they think about us,
But they have no idea,
That, what level it kills! .

Smile

Smile is Smile,
Smile that makes beautiful every while,
Gives the happiness,
Vanishes the Sadness!

A smile is a cheer to everyone,
A smile is Free, for ever bee,
A smile makes you look cool,
A smile makesyou feel classy!

A smile is smile,
It makes you feel the Rest,
It makes you feel glad,
Turns people towards YOU!

A Smile is Smile,
Smile which makes Beautiful every while....

Teachers Are Teachers!

Teachers are Teachers,
With many Features,
More than a Computer,
More than a Mobile.

Teacher shows the Right,
Anyone can be that TEACHER,
Best friend, Parents, Our the School teacher..

Teachers Aspire,
They Inspire,
Never blame them,
because, They make you a GOOD creature! .

They teach you, the Good,
and Take care of Us,
They teach the Moral Value,
Thank You Teacher! . The heartfelt You! ! .

Whom We Trust A Lot!

The Person Hurts the most,
Whom We Trust a lot!

Many-a-Times seemed to be the needy one,
Whom We Trust a lot!

It hurts the most,
When they hide the truth,

It hurts the most,
When we hear something about them.

We get shattered,
When that Trust is Broken..

After this mess,
It turns difficult,
To TRUST,
Whom We TRUSTED a lot!
