# A Black Boys Story #1

I see no changes,  
I wake up in the morning and ask myself  
' Is life worth living? ' ' Should I blast myself? '  
Trying to be a poor negro,  
Yes I'm black,  
My stomache hurts so I'm looking for a purse to snatch,

Cops give a damn about a negro?  
Pull the trigger kill a nigger he's a hero  
Giving crack to kids  
Who the hell cares?  
One less ugly black on the welfare

# A Poem For A Friend #1

Close your eyes,  
Make a wish,  
Angels will come to blow you a Kiss,  
They will guide your way,  
And make your dreams come true,  
Just like they did for me,  
When I became friends with you,

I made a wish and asked for a friend,  
A friend that would stick with me until the end,  
The angels didn't fail me,  
That's what I hope,  
But I know that your faithful, helpful and graceful,  
I know that you support me,  
Whenever I'm not grateful,  
You're a friend,  
A friend indeed,

# A Remixed Song

I don't want another pretty face,  
I don't want just anyone to hold,  
I don't want my love to go to waste,  
I want you and your beautiful soul.....  
You're the one I want to chase,  
You're the one I want to hold,  
I won't let another minute go to waste,  
I want you and your beautiful soul.....

I don't want another pretty face,  
Not just anyone to hold,  
Becuase I'm with you babyboy,  
And to me you mean the world

I don't want another pretty face,  
I don't want just anyone to hold,  
I don't want my love to go to waste,  
I want you and your beautiful soul.....  
You're the one I want to taste,  
You're the one I want to hold,  
I won't let another minute go to waste,  
I want you and your beautiful soul.....

Babyboy, you're the one I want to taste,  
You're the one I want to hold,  
Becuase when you're inside of me,  
Babyboy I see the world,  
Baby you know you are my boy,  
And I don't want any sexier,  
Becuase what you have ain't inferier

# A White Rose

The red whispers of passion,  
And the white rose breathes of love;  
O the red rose is a dove,

But i send you a cream-white rosebud,  
With a flush on the petal tips,  
For the love that is purest and sweetest,  
Has a kiss of desire on the lips.

# Anonymous

No one knows my troubles,  
No one knows my pain,  
Some know my life's double,  
But no one sees me in the rain,

I act mean,  
And everyone thinks I don't care,  
But deep down inside of me,  
My real personality is still there,

Whoever I reveal the true me to always betray,  
They think because I'm soft they can have their way,  
But before they try to take advantage of me,  
I cover up with a false personality,

I'm sympathetic to no one,  
To no one I show care,  
I ignore nice people,  
And act as if they aren't there,

# Forever Lovers No Matter What

The way you look at me makes my heart stop,  
I can't breathe whenever our eyes lock,  
It's like I melt because of the feelings that are felt,  
I have to tell myself ' Breathe In, Breathe Out'  
And in my chest my heart is flopping about,

You look at me like you're ready to surrender to my love,  
Your eyes shine like the stars above,  
Your hair flickers behind your ears,  
And in your eyes I can see your fears,  
I can see your tears, You've wanted me all these years,

I love you, But your love is trouble,  
As I hold you in my arms I can hear you mumble,  
'I love you ',  
That's the words you whisper in my ear,  
And the words cover my body with fear,  
As I hold you near, my hard breathing you can now hear,

I know you love me but you sometimes confuse me,  
I'm not sure if your eyes just use me,  
I show you how much I care,  
And I wonder if like me, knowing that I love you, bring you fear.

# Friendship

Friendship is shared by two or more people,  
They vow to be always there for each other,  
Whether in the middle in the night or in times of bad weather,  
They support each and care for each other,  
And they share many secrets together

I personally think that:

Friendship is like peeing your pants,  
Everyone can see it,  
But only you can feel it's true warmth,  
Thank you for being the pee in my pants,

# Heart Broken

I was told that I should not get involved with you,  
But I was disobedient,  
I wanted to know for sure,  
And now for this broken heart,  
I cannot find a cure,

Our relationship was going well,  
Until the day that I fell,  
Down to my knees,  
Tears in my eyes,  
Grey clouds appeared in the once blue skies,

I couldn't believe it,  
You broke my heart,  
And I was seriously warned from the start,  
Why would you do this to me?  
After I had faith in you,  
I believed that you would be faithful and true,

I fell deeply in love with you,  
So deep that I felt faint when you said ' We're through'  
I felt your pain when you were sad,  
And I always made the effort and made you glad,  
You broke my heart that I gave to you,  
I hate you now and that's NOT true,

I couldn't eat, sleep or even think,  
I could hardly even remember to blink,  
My eyes were red,  
My face was pale,  
My head was aching,  
And I was definitely not faking,  
I was hospitalized,  
And traumatized,  
I even thought about getting baptised,  
I still love you though,  
And what I say is NOT lies.

# I Don'T Love You

The pain was unbearable,  
The feelings were unbelievable,  
The blood was red and wet,  
The tears were mixed with sweat,

You drove a dagger into my heart when you said you didn't love me,  
Now this is just my imagination but it describes the situation,

The words left your lips and pierced through my chest,  
My body numb as blood gushed on my vest,  
I tried to run away from you but the pain was too intense,  
Deeply hurt by your words, weak was my defense,  
I tried to stand but stumbled and fell flat on the ground,  
But I love you I mumbled and you were startled by the sound,  
You looked into my eyes and said I don't believe your lies,

You slapped me in my face,  
My heart began to race,  
You tore my heart in two,  
I shed bloody tears for you,  
The pain was driving me insane,  
And just then it began to rain,  
My blood washed down the drain,  
And so did my dignity,  
I'll never love again,  
You'll be my only true lover until the end.

# I Fell In Love With The Wrong Person- Dedicated To Crystal

At first I was excited,  
Never scared of being rejected,  
I had all the confidence in the world,  
That I would make you a happy girl,

But now I'm sad and I regret,  
The night that I made you wet,  
I didn't think it was wrong at that time,  
I guess I as only thinking about your smile,  
Or your giggle when I got you hot,  
I wanted to be your coffee pot,  
I wanted to be yours but now I don't  
This relationship has just got cold,

You are everything I thought I wanted,  
Tall, dark, hot and sexy,  
I thought you you were the one I wanted next to me,  
But what I wanted wasn't right,  
I wish I had realised this one of those nights,

You ar a very sexy girl that broke my heart,  
I new you were trouble from the start,  
But in the end the pain you put me through,  
Is exactly what pushed me away from you,

# I Messed Up- Chocolate Chip

We used to be so connected,  
We used to be so deep in love,  
Unfortunately our love was badly affected,  
I guess it wasn't written above,

You loved me so much,  
But I took your love for granted,  
Now i long for you touch,  
But you refuse to be advantaged,

I try to show you that I care,  
But you often ignore me,  
Memories of you are everywhere,  
This is such agony,

I try to explain myself to you,  
But you say it's not true,  
You say I hurt you and you'll hurt no more,  
I can't bare the flashbacks of you walking out the door,

I messed up for real,  
I wish this pain i couldn't feel,  
I truely regret,  
The day I left you because that day you'll never forget.

# I Miss You (To My Hunny Bunny)

I really really miss you,  
You have no idea,  
I really really miss you,  
Please believe me dear,  
I really really miss you it feels like a year,  
Since i held you in my arms,  
Since i touched your palms,  
Since i saw your smile,  
Since i smelt your scent,  
Hunny did I ever tell you I think your heaven sent,

I really really miss your beautiful smile,  
Hunny your smile just drives me wild,  
I really really miss your sweet lips,  
And the way you send me poems with a little kiss,  
I really miss you,  
And this is all true,  
Hope you no how much I think about you.

# I'M Sorry

I'm sorry that I hurt you! !  
I really am,  
I'll never forgive myself for what I put you through,  
I want to make it better,  
Just tell me what to do,

Although I lied, that could never compare,  
To the love I have for you my dear,  
I never meant to hurt you, I never wanted to loose you,  
What can I do? ? ? ?  
To show you my love is true,

The pain I feel inside is hard to explain,  
Without you in y life I'm going crazy,  
I need my baby,  
I don't want a friend,  
These feelings I have will last till the end.

# In Love

My heart is like a singing bird,  
Whose net is in a watered shoot;  
My heart is like an apple tree,  
Whose boughs are bent with thick set fruit;

My heart is like a rainbow shell,  
That paddles in a halcyon sea;  
My heart is gladder than all these,  
Because my love has come to me,

Raise me a dais of silk and down,  
Hand it with var and purple dyes;  
Carve it in doves and pomegranates,  
And peacocks with a hundred eyes;  
Work it in gold and silver grapes,  
In leaves and silver Fleur-de-lys;  
Because the love of my life is come,  
Is come, my love is come to me.

## In Love #2

You brighten up my day,  
You make me feel so gay,  
Whenever I look at you,  
I know that this love is true,

You are so sweet,  
Our love deepens everytime our lips meet,  
This feeling I cannot defeat,  
Cause whenever you touch me I feel the heat,

I can't do without you,  
I need you night and day,  
When you come my way,  
You show me your love is true,

I love you with all my heart,  
And that's why we'll never be apart! ! !

# Life In The Getto

Life for me is not fun,  
When the only thing I can depend on is my gun,  
I really don't want to steal for Mr. Chung,  
But survival is the key in this slump,  
If your not at peace, from my gun you might get stung,  
Please don't ask me how come,

We do what we do and we sell what we sell and you can who we can,  
We rise and we fell in this place that we dwell,  
Don't think it's all well,  
It's and earth but it's hell,  
A place that you can identify by the smell

# Lines To Make You Smile

- 1) I don't suffer from insanity;  
I enjoy every minute of it.
- 2) You're jealous because the voices only talk to me!
- 3) God must love stupid people;  
He made so many of them.
- 4) Ever stop to think and forget to start again?
- 5) Out of my mind. Back in five minutes
- 6) Wrinkled is not one of the things I wanted to be when I grow up.

# Memories

Memories of you make me depressed,  
Sometimes I think I'm truly obsessed,  
I can't stop thinking of you,  
The sweet memories bring me joy,  
My mistakes make me sad,  
I'm so angry with myself for letting you slip away,  
I can't forgive myself there's no way,

I miss you so much,  
I miss your touch,  
I miss your kiss,  
Ok, I shouldn't be writing about this,

I'm living in regret,  
I can't explain I,  
I love you!  
And I always will,  
My love is priceless, there's no bill,  
I hope you forgive me for the wrong I've done,  
Love Forever! You're the only one!

My dog ,  
Mr. Puff has got the stuff,  
He's white and fluffy,  
And full of glee,  
He's very cute and always happy,

Mr. Puff is a ladies man,  
He's a ladies man with a plan,  
He goes and sits on the street,  
And all the ladies come at his feet,

Mr. Puff knows the game,  
He has three females whos owner is the same,  
He sleeps with the three every night,  
And makes sure to keep them in his sight,

Mr. Puff is a dog many has dreamed of,  
Mr. Puff is my dog and he knows he's loved.

# My Daddy's Speech(My Daddy Sung This Song For Me)

Baby,

I know that you miss your mom,

And I know that you miss your dad,

When I'm gone,

But I'm trying to give you the life that I never had,

I can see you're sad,

Even when you smile,

Even when you laugh,

I can see it in your eyes,

Deep inside you wanna cry,

Cause I ain't there but cutie-bear daddy's with you in your prayer,

I love you baby

# My Little Sunshine

When I look at you i see sunshine,  
And i thank the stars above that you're mine,  
The love i feel often brings fear,  
To know that someday you won't be here,

You have given me your sweet love,  
And for that i thank the stars above,  
I know that you're the one for me,  
And i hope that you think the same of me,

I wnat to spend the rest of me life with you,  
I'll be there no matter what you're going though,  
I really hope that you feel the same,  
And if you don't, you, i will never blame,

Your eyes are what i want to live in forever,  
When you touch me I get an instant fever,  
I want you to know that I'm forever yours,  
And your forever mine until the end of time.

Shutter Queen

# My Sexy Love

Your eyes, Your smile, Your lips, Your Style,  
Everything about you drives me wild,  
When you hold me/When you touch me,  
Heaven sent is what you must be,

Your body & Your beautiful face,  
Night/Day you float with grace,  
Come to me anytime,  
Body & Soul you're truly mine,  
You'll be mine until the end of time,

The way you comb your hair,  
The things you wear,  
No wonder everyone around just stop and stare,  
You're an angel from above, on earth, down here.

# Our Love Is Real

When I look into your eyes,  
I see everything I need,  
Whenever you're close,  
The magical feeling makes it hard to breathe,  
You are everything that I ever wished for,  
No one can ever compare,  
Neither after nor before,  
For you I will always be there,  
Whenever you need me,  
I'll always be near,  
So you will always be with me,  
When we're together I feel like I'm complete,  
When we're apart it's like the ground is removed from beneath my feet,  
It's kinda wierd how I share your feelings,  
When you're mad, I feel your anger,  
When your sad, I shed your tears,  
When you're happy, I can sense your smile,  
All your emotions affect my heart for a while,  
We're so connected,  
It's unbelievable,  
But the connection is real,  
And so is our love,

## Past Friends

I used to call you lover,  
I used to call you friend,  
Reality awakens me,  
From this game of pretend,

You always looked out for me,  
When no one else did,  
I felt so childlike as if I was you kid,

Time changes so many a thought,  
I can't recall for what we fought,  
Remember you came to and sought,

We will meet many a kind in our life,  
Some will bring joy, others strife,  
What will I do with what I get?  
Never forgotten,  
Never regret.

# Reality

I used to call you lover,  
I used to call you friend,  
Reality awakens me from this game of pretend,

We used to be Buddies,  
We used to be pals.  
But I guess it wasn't written in the stars,

When I look at the moon or stare at the horizon,  
I know our eyes will meet soon but no words will be spoken,

I guess this is how it was meant to be,  
In my eyes lovers, But in reality Enemies,

So I used to call you lover,  
I used to call you friend,  
Now that I', awakened,  
We are Enemies till the End.

# Troubled Relationship

Why do you continue to do this to me?  
This relationship is turning out exactly how I thought it would be,  
The pain, the fear, the heat, the joy,  
And yes you treat me like your toy,

I truly love you with all my heart,  
And I promise that I won't walk away,  
I hope that nothing would tear us apart,  
But no matter what forever in love with you I'll stay,

You say you love me,  
I know you care,  
But sometimes, your feeling you just don't share,  
I hope that the LOVE is really there,

I truly love you with all my heart,  
And I promise that I won't walk away,  
I hope that nothing would tear us apart,

# Underdog

Coming up I once confused my momma kissing a girl,  
I was confused and cursed coming up in the cold world,  
Daddy ain't around probably off committing felony,  
My favourite rapper used to sing check, check out my melody,

Hate it or love it the UnderDog's on top,  
And I'm gonna shine hunny until my heart stops,  
Go ahead and envy me, my life's M.V.P,  
And I ain't going nowhere so you can get to know me,

# What's Love

Love is patient,  
Love is kind,  
It does not envy,  
It does not boast,  
It is not proud,  
It is not rude,  
It is not self-seeking,  
It is not easily angered,  
It keeps no records of wrong,  
But delights in the truth,  
Always protects,  
Always thrusts,  
Always hopes,  
Always preserves

# Your Kiss

I love it when you kiss me,  
I love the way your kiss feels,  
Your soft lips against mine,  
I wish I could stop time,  
Your tongue tickles mine,  
And I feel like you've blown my mind,  
Your kisses turn me on,  
Like my favourite sex song,  
I fell in love with you the first time we kissed,  
And it's your kiss that i long for,  
It's your kiss that I sprung for,  
I'll love your kisses forever more,

When you kiss me my heart sails away,  
When you kiss me you take my breath away,  
A kiss from you could make the trees sway,  
It could make the sun shine on a rainy day,  
Your lips, there what I adore,  
Your tongue makes me want you more,  
It's so pink and soft and sweet,  
Oh, how much I love it when our lips meet.
