I Can Fly

the walls block the outside
the air fills it in
leaves a gap for you
to sit on the stairway and dream of us two
mirrors surround us as we kiss in the light
and mumble i love you
which felt so right
we wait for the sun to set
and look at the sights
outside the window
and see all those kites
soaring through the air
like it was the first
time
that we seen it coming, our way
we lean out the window
and start to say
CATCH ME BIRDIE
IM SURE I CAN FLY
I WILL SORE WITH ALL MY MITE
you gotta walk through the doorss
and you gotta run through the traps
and you gotta sore through the clouds
and there aint no turning back

Party In The Centre Of Melbourne

i hoped off the train at melbourne yeah
welcome to the city of fame excess
am i gonna fit in
i jumped in the car
here i am for the millionth time
look to my left and i see the stop sign
this is all so crazy
everybody seems so country
my tummys turning and im feeling kinda car sick
too much pressure and im nervous
so i turn on the radio
and the jay sean song was on
and the jay sean song was on
and the jay sean song was on
so i put my hands up and sing my song
and the sickness faded away
