## A Kind Of Loving...

To the world you may be one person,  
but to the one person,  
you may be the world...

Don't waste your time on the girl we loved,  
who isn't willing to waste their time on you...  
just because someone doesn't love you,  
the way you want them to,  
doesn't mean they don't love you with all they have...  
Only a true love is the way we love them...

# A True Love Is Needed

Rivers of my love run deep,  
Into the valleys of your heart,  
Neither height, nor depth,  
Nor mountains too wide,  
Could show you,  
The depths of my Love...  
Way beyond the seas,  
Throughout all eternity,  
Could never show you,  
The depths of my love..

A thousand rainy day,  
a thousand tears,  
could never show you,  
The depths of my love...

But,  
the most important things for this love is,  
a true love....

# Agar Dia Pulang...

Pernah dahulu,  
suatu ketika,  
ku bersama bercinta  
dengan si gadis yang ayu...  
dan tersemai...  
cinta yang suci...  
Ku bahagia dengannya...  
Ku bahagia...

Tapi kini,  
gadis yang ayu,  
setelah dia pergi meninggalkanku,  
bahagiaku,  
tiada lagi...  
Kini hidupku di dalam sepi..  
Sungguh sepi...

Duniaku kini,  
tiada beerti,  
tanpa belaian kasih sayangnya...  
Hari demi hari,  
batin ku menyeri,  
Memanggil namanya,  
agar dia kembali,  
ke sudut hatiku,  
yang kian sepi....

# Always Love You...

It started out simple  
like something new  
I knew from the beginning  
there was just something about you.

I loved the way you smiled  
and the way you laughed  
We were on different roads  
until the roads came to one path.

When you asked me out  
the butterflies came  
they came in my heart  
and I was never the same.

We became one  
at the same time we were best friends  
You said 'Forever and always'  
and I thought it would never end.

It was like that for a while  
and I lived for your kiss  
you told me I was beautiful  
and I felt such total bliss.

But one night, your mind changed  
and you turned it all around  
You brought me up so high  
just to tear me back down.

After that it was never the same  
and I cried for all those days  
now I think I finally realize  
forever doesn't mean for always.

I always love you...

# Antara Kau Dan Aku

Antara kita terjalin mesra ikatan janji  
Saling menyinta dan memahami hati dan budi  
Tapi mengapa hatimu dara kini berubah  
Akan ku simpan ku semadikan sumpah dan janji

Engkau yang melafaskan kau jua yang mengingkari  
Mungkinkah tebalut luka dihatiku ini  
Usahlah kau risaukan ku takan rayu simpati  
Ku sentiasa menyedari siapa diri ini ku mengerti

Antara kita tiada lagi  
Cinta dan janji tiada bererti  
Biar ku tanggung semua ini  
Semoga dikau akan mengerti

# Close To Your Heart

If you missed me,  
look at the moon,  
I also looking at the same moon,  
so, we are very near,  
although we are far apart...

If you needed me,  
say it to the sun,  
I also lived under the same sun,  
so, we are very close to each other  
although we are very far apart...

## Dakapan Terakhir....

Datang kembali  
kisah cinta yang pergi,  
masih terbayang-bayang  
menghuni fikiranku ini,  
Di kala hatiku sepi,  
membuat jiwaku lara....

Kau pergi  
tanpa utusan,  
meninggalkan  
seribu harapan....  
Akan ku jadikan  
dakapan terakhir  
kenangan terindah,  
bersama dirimu....

Hari kau pergi,  
detik menyakitkan,  
terdengar suaramu  
jiwaku lara...  
Kau pergi  
takkan pulang,  
meninggalkan hati  
yang terluka....

Telahku lupakan  
dirimu oh kasihku,  
namun wajahmu  
sentiasa terpahat di hatiku...  
Ingin ku hapuskan  
kau dihatiku,  
tapi terasa sayu....

# Deepest Feeling Is Always Felt In Silence

The love that we have built,  
nowadays become a memory...

You hold this hand  
and say I am your lover...  
but, only one,  
our love wouldn't stand forever,  
even if night fall,  
those time will be end...

I never appreciate you,  
those time will not be together again,  
my heart will uncertain  
when you're not in my arm again...  
Will our love is last forever  
My love..

But still I'm loving you,  
and still I'm waiting for you,  
without you  
I'M NOT PERFECT..

# Demi Mu

Andainya aku ketahui  
hari ini kali terakhir aku  
mendengar suaramu,  
    Akan aku rakam  
    suaramu sebagai kenangan  
    terindah...

Andainya aku ketahui  
esok aku tidak berpeluang  
untuk membahagiakanmu,  
    Akan ku bahagiakan  
    dirimu hari ini sebelum  
    tibanya hari esok...

Andainya aku  
ketahui esok aku  
tiada lagi,  
    Akan ku lakukan  
    segalanya hari ini  
    untuk mengatakan bahawa ku  
    amat bahagia mengenalimu  
    sebagai seorang sahabat...

# Demi Yang Tersayang

Tidak pernah ku terbayang,  
cinta ini menyakitkan,  
tetapi sentiasa ku berikan kesempatan,  
biarpun luka ku berpanjangan...

Kepada mu kekasih ku berpesan,  
semoga kau temukan kebahagiaan,  
jika itu merupakan pilihan,  
redha dirimu ku lepaskan...

Demi yang tercinta,  
maafkan aku andai ku menyinta,  
suara rindu ku diiringi dengan doa,  
agar kemesraan kita terjalin jua...

# Ditujukan Seuntai Seloka Putri Laika

Di lembah nan sunyi,  
terpancarnya seri,  
jambatan hati...  
Mawar inginku petik,  
mawar bunya yang cantik,  
untuk Putri si Molek...

Mawar merah menawan,  
untuk gadis idaman,  
janganlah ditinggalkan...  
Sedang cinta berputik,  
umpama mawar dipetik,  
usahlah dikau usik..

Di kala engkau lara,  
akulah penawar,  
pengubat duka...  
Kepada putri sang Seri,  
ku utuskan sebuah doa,  
agar dikau bahagia..  
Kaulah mawar pujaan...  
Kaulah mawar pujaan...

# Dreamt Of Eternity

I had a dream last night  
I dreamt you were by my side  
Walking with me baby  
My heart was filled with pride

I see your eye,  
that fill with eternity,  
glidding to the sky  
of my heart...  
A thousand tears,  
never be a true love...  
The true love  
is always felt in silence...

# End Of This Moment

Sometimes,  
when you cry,  
I'll hurt...  
Somewhere,  
when you gone,  
I'll lost...

Someday,  
when we'll be together,  
I'll make a happiness for you...  
Because I've know you  
more than a friend..  
And I love you,  
as long as the time goes by,  
till the end of this moment..

# Enggai Nguna Aku

sekumbang ti bepangan

enda kala nuan maioh leman  
nadai kala ku minta

nyangka nya nuan malu  
ngambu aku ke sulu  
lalu enggai nguna aku.....

# Episod Cinta Luka

Dihempas rindu airmata berlinang  
cinta kita layu berguguran  
ketika sedang mula berkembang  
di saat kasih ingin ku curahkan...

Benarku tak membenci,  
bukanku yang tak sudi,  
menerima cinta mu,  
kau dustai ku dulu...  
Namun apa dayaku,  
terpaksa melupakan mu,  
aku tak ingin menyesal  
lagi...

Apa guna bercinta  
jika kau tak setia  
hancur berkecai hati  
tidak bersuara lagi..  
Hanya tinggal kenangan  
berakhirnya semua  
episod cinta kita...

## Far Away...

I've known you for only  
a short period of time,  
We play together,  
We love each other..

When I'm singing,  
you will dancing...  
Those all melodies,  
remind me about you...

I tremble with joy  
with you by my side,  
The feel of your hand taking mine -  
I want you to hold it forever.

But,  
after many years I love you,  
you have gone forever..,  
and took my heart away...  
I can't love another girl,  
when my heart somewhere,  
far away,  
with you...

## Friend Forever...

A friend is someone we turn to  
when our spirits need a lift.  
A friend is someone we treasure  
for our friendship is a gift.  
A friend is someone who fills our lives  
with beauty, joy, and grace.  
And makes the whole world we live in  
a better and happier place.

# Greatest Love

Whatever our souls are made of,  
her and mine are the same...  
Love looks not with the eyes,  
but with the mind,  
love can lost,  
and love can be find...

The way to love anything is  
to realize that it may be lost...  
Love is not love which alters when it alteration finds...  
Love is stronger than justice,  
Love is the greatest refreshment in life  
Love is an irresistible desire to be irresistibly desired...

# Harapan Tinggal Kenangan

Tergamak dirimu,  
menyisihkan diriku,  
apakah dirimu  
tidak lagi mengenali ku...

Renungkanlah kembali  
detik-detik kita bersama,  
tidak pernah ku sesali,  
kerna diriku amat menyinta..

Terpaku diriku,  
mendengar kata-kata mu,  
sebakku menyeru...  
agar kembalinya dirimu..

Sayangnya....  
Tapi apa yang terjadi,  
berakhirnya dengan kedukaan,  
tak mungkin kau kembali,  
setelah segalanya kau lafazkan...

Sayanglah...  
Sesalku tidak menentu,  
bila perginya dirimu,  
hanya sayu diriku,  
kehilangan cinta mu...

Moga kau temui,  
insan yang kau sayangi..  
Dirimu kini,  
hanyalah tatapan,  
untuk menghapuskan  
segala kedukaan....

# How Much I Love You

I hope you know what do I feel...  
Whenever you lost your way and faith in me,  
all I do is wait for you,  
the writting on the wall of your life...

I love you more and more each day,  
as time goes by...  
but you doesn't know how much I love you,  
how much I care for you.....

Sorry, because I'm not a perfect for you...  
What can I say to you now my words are not enough....

# I Don'T Know What

I don't know who,

# I'M Dance Alone Without You Tonight

Tonight,  
the rythm is seem so nice,  
Tonight,  
the moon is so lone in the skies...

Why don't you stay with me,  
don't let me dance alone,  
my night will seem so long without you...

Oh girl...,  
please tell me why you gone away,  
tell me why don't you want to stay,  
don't let me dance alone,  
my night will seem so lone without you...

It's not a romance tonight,  
the moon is shinning not so bright,  
without you close to see,  
the night will seem so long without you....

Oh, I'm dance alone...  
Girl, don't let me dance alone,  
dance alone,  
dance alone.....

# Kehilangan Yang Kekal

Apakah sudah suratan  
kau dan aku terpaksa berpisah,  
setelah menjalinkan ikatan  
cinta yang tak sudah...

Bercinta tetap ada kesudahannya  
saat indah takkan bertahan,  
susah dan senang tetap berganti  
waktu senja kan berakhir jua..

Rela melepaskanmu  
biarlah hanya ku menanggung  
asalkan kau tak benci,  
biar hinanya diri ini...  
Pergilah bersama,  
insan yang kau suka  
ku harap kau setia...  
Sayang...

Kau terus pergi  
dakapan pangkuan terbiar  
terkilan rasa hati  
tiada lgi kau di sisi...  
Hanya tinggal kenangan  
berakhirlah semua  
episod cinta kita...

# Last Night I In Love With You

Last night I feel in love with you  
All over again  
With such care  
Than ever before  
Now I truly believe how much you care for me  
You have given me life.

Last night I fell in love with you  
All over again  
With more happiness  
Than ever before  
You have brought back to me smiles and laughter  
Through your loving eyes.

Last night I fell in love with you  
All over again  
With more love  
Than ever before  
For the first time in a long time  
I have really felt love.

# Lila

Lila,  
the imaginary girl,  
the girl that I found in my nightmare dream,  
I will never find a girl,  
like you.  
You are a mystery girl,  
you are only a nightmare,  
nightmare in my life.

You'll remember me,  
when a smooth wind move,  
upon a valley.  
I stand there,  
looking for the blue sky,  
imagine you and me are flying in the sky.

If I found you,  
maybe you are not a human,  
but you are an angel.  
An angel that is always in my mind.  
A mystery girl in my life.  
Lila....

# Lonely Roses...

I don't know,  
When my eyes got closed and  
I started dreaming, about you...

But why,  
You still lost in my mind,  
without any trace...  
Why you gonna left me,  
in your beauty embrace...

I still keep searching you,  
no matter long those ways,  
no matter far the road,  
to reach at your side again...

But now you're gone forever,  
how could I found you anymore,  
to have you near me,  
to stay beside me,  
every single nights and days...  
Without you...  
Signifying nothing...  
Nothing....

# Mengenang Semula Impian Antara Kita

Bersabar dalam marah  
Bertenang dalam gundah  
Banyak rahsia di sebalik wajah

Yakini dalam ragu  
Senyum di dalam sendu..  
Aku kagumi..ketabahanmu..

Andainya sejak mula Hatimu dapat ku baca  
Ku percaya pasti ada ruang buat kita  
Sayangnya di ketika itu  
Pandangan sering terkeliru  
Tidak tahu, yang tulen atau yang palsu..

Kesilapan masa lalu, jadi pengajaran  
Darimu kutemui sumber kekuatan  
Ku bermohon keizinan membuka bicara  
Mengimbau impian yang tak sudah  
Antara kita....

# My Love Is Only You

I always love you...  
From the time when sun arise,  
till the star is falling down,  
you're always in my heart...  
No matter what have done,  
I still stand,  
keep holding your hand,  
and bring you to the land  
of my eternity heart...

When ever you're lonely  
I will always beside you...  
You are the only one  
that I ever love,  
and my only one...  
This I promise you...

Everyday  
and every single night,  
you're always on my mind....  
You'll never be another one,  
I'll never lose my faith,  
in you...  
Always my one  
and only love....

# My One And Only Love

The very thought of you makes my heart sing  
Like an April breeze  
On the wings of spring  
And you appear in all your splendor  
My one and only love

The shadows fall and spread their mystic charms  
In the hush of night  
While you're in my arms  
I feel your lips so warm and tender  
My one and only love

The touch of your hand is like heaven  
A heaven that I've never known

And the blush on your cheek whenever I speak  
Tells me that you are my own

You fill my eager heart with such desire  
Every kiss you give sets my soul on fire  
I give myself in sweet surrender  
My one and only love

The touch of your hand is like heaven  
A heaven that I've never known  
And the blush on your cheek whenever I speak  
Tells me that you are my own

You fill my eager heart with such desire  
Every kiss you give sets my soul on fire  
I give myself in sweet surrender  
My one and only love...love, love....

# Never Coming Home

There's a time of indecision between the bedroom and the door  
But the part of you that knows that you can't take it any more  
There's the promise of the future in the creaking of the floor  
And you're torn if you should leave me with a number...

And in your imagination you're a thousand miles away  
Because too many of my promises got broken on the way  
So you write it in a letter all the things you couldn't say  
And you tell me that you're never coming home...

Now in my imagination you're a million miles away  
When too many of my promises got broken on the way  
So you wrote it in a letter all the things you couldn't say  
And you told me that you will never coming home  
You told me that you will never coming home...

Valentino Iगत

# Only God Knows

She always on my mind,  
from the moment I wake up,  
till I close my eyes...  
But she doesn't know,  
how much I love her,  
how deep is my feeling...  
Only God knows...

But my deepest feeling is always felt in silence,  
and she doesn't know,  
how much I care,  
for her.....  
only God knows...

Maybe she will come back to me someday,  
or maybe she will find another...  
I'm searching her many times everywhere,  
but she still lost in my sight, ...  
Maybe she still needed me again.,  
or maybe she leaves me alone...  
Only God knows...

# Pantun Terhegeh - Hegeh

Gunung Daik bercabang tiga,  
hancur badan dikandung tanah,  
budi yang dikenang jua,  
dua tiga kucing berlari.

Pulau Rambutan di dalam sebayan,  
Pulau Ari ba Sepadi,  
jika tuan orang kayan,  
masak sebiji di atas peti.

# Pemergianmu

Sayangnya.....

Kau pergi tak kembali padaku....

Sudah lama ku menanti....

Namun bayangan wajahmu tak kulihat...

Kelibatmu tak ku jumpa....

Harapan yang ku bawa selama ini

hancur berkecai....

Berderai airmataku...

Semuanya bagaikan sebuah mimpi...

Di kala malam aku sunyi,

di pagi hari aku sepi,

tanpamu di sisi...

Telah puas ku menanti,

apakah ku terus menyanjung,

ku reda dengan ketentuan Ilahi,

relaku pergi tanpamu di hati.....

# Perpisahan Yang Tidak Diduga...

Pertemuan,  
pertemuan yang tak diduga....  
pertemuan yang indah tak ke mana....  
dahulunya membahagiakan,  
sekarang berantakkan...

Cintamu,  
dahulunya mekar bertahan...  
dan tiba-tiba jatuh jua dan berguguran...  
perginya kau tak kembali...  
di sudut hari ku menanti....  
menanti kepulangamu yang takkan kembali...

Mengapakah harus,  
perpisahan ini terjadi....  
sangat terseksanya aku,  
kerna kehilanganmu...

Oh...mengapakah harus,  
perpisahan ini terjadi,  
perpisahan yang tak ku sedari,  
aku kecewa sekali.....

# Pertemuan Di Malam Hari Lahirmu...

Sejak bertemu..,  
dengan kau gadis yang ayu,  
hatiku sering gelisah...  
Setiap hari,  
wajahmu datang pada ku...

Kiranya kini,  
ditakdirkan,  
kita kan bertemu lagi...  
Akan ku curahkan  
perasaan hatiku....

Betapa ku tersenyum,  
melihat wajahmu,  
pabila kau tersenyum,  
padaku...  
Pabila kau berikan,  
gerlingan matamu yang manja...

Betapa ku terharu,  
mendengarkan alunan,  
suaramu yang merdu,  
oh sayang...  
Bersama pertemuan,  
di malam hari lahirmu...  
Hari lahirmu...  
Hari lahirmu...

# Red Midnight

Pink skies close above,  
you was walking fast alone,  
beautiful and wonderful,

Blue of midnight when sleeps,  
Red mountain fast toward Pink skies  
rests below....

# Rindu Yang Menghempas Hati...

Engkaukah itu  
Hadir dikala kau diusik rindu  
Kau mengundang ku untuk bersama mu  
Mengungkit segala kisah lalu

Apakah diri ku  
Tempat persinggahan melepas rindu  
Sesekali rindu menguasai  
Dan diri ku ini kau hampiri

Rindu yang menghempas hati  
Memaksa ku menyayangi hati mu lagi  
Beralun ombak kasih mu  
Menghempas segenap kamar hati ku  
Ingin aku cuba melenyap kan engkau  
Rupanya diri ku yang telah terpukau  
Bersama gelombang warna pilu  
Akhirnya ku menjadi perindu

Ternyata aku  
Pernah dan terlalu menyayangi mu  
Biar pun ku lemas dipersisiran  
Tak sanggup ku tempuh perpisahan

# Sadness In My Heart

It is hard for me  
to believe,  
when you gone away forever,  
and leaving me  
with a sadness in my heart...

Not that reason  
I want from you,  
all my dreams had faded  
and sorrow  
all of because of you...

You never aware,  
how much I love you,  
how much I care for you,  
how much I longing for you...  
And what did I say  
now my words are not enough...

If you stop loving me,  
I will stop loving you,  
little by little,  
let this love  
slipping away,  
let this feeling  
gone away,  
bygone and bygone,  
everyday...

# Selamat Jalan Sayang

Selamat jalan,  
duhai kasihku...  
Aku doakan  
agar dirimu  
bahgia tanpaku  
disisimu...  
Moga engkau mengenangku  
selalu...

Sudah sekian lama,  
semua telah ku tahu,  
apa isi hatimu  
kau ada pengantiku...

Jika tak ingin lagi,  
biarku undur diri,  
asalkan kau tak benci,  
asalkan kau mengerti...

Sebelum undur diri,  
ku pastikn kau tahu,  
kau amat ku sayangi,  
kau amat ku cintai...

# She Always On My Mind...

Forever...

She's still my beating heart,  
and always on my mind...

She had gone away...

Leaving me,  
so far way...

My tears keep falling,  
down my face,  
when she was not around...

Next to me...

All I do,  
is waiting for her,  
each and everyday,  
by the shore,  
of our old memories  
that playing in my mind...  
She's always on my mind...

# Sheryline Russiya...

Dari duluku kau puja,  
pendam rasa kau tak luah,  
kita bahagia bersama,  
sampaikan ku terlanjur cinta...

Bila hatiku nak berkata,  
terasa sakitnya di dada,  
lelah hatiku nak berkata,  
kau datang dan pergi jua...

Mungkinkah kau tak sayang lagi,  
ada insan yang kau cintai,  
mungkinkah dia baik lagi,  
kau tinggalkan aku sendiri...

Kau pergi..... kau pergi.....

tetapi sentiasa ku berikan kesempatan,

redha dirimu ku lepaskan...  
Biarlah hanya ku menatap  
sekeping memori kita bersama dahulu  
membawa hati yang melara  
dihempas ombak kerinduan suka dan duka...

Demi yang tercinta,  
maafah andai ku menyinta,  
biarlah bersemadi  
sekuntum memori cinta kita...

demi matlamat yang satu,  
demi impian akan menjadi nyata,

Everyday,  
I'm feel lonely without you beside me.

Long ago,  
you tell me that you love me,  
you tell me that you faith,  
but why now you never want to see me again,  
even call my name.

But,  
still I stand, love,  
and I faith,  
cause I know the destiny is the truth.

# The Return

If I leaving you someday, my love,  
please don't cry...  
Keeps all our memories,  
pretend the two of us together once again...

Even all the nights you are alone,  
but my soul always by your side...  
Cause I know,  
you needed me...

Maybe I will come back for you someday,  
or maybe not...  
Cause we don't know the destiny,  
and we know the life is short,  
but there is something you don't know,  
how much I love you...

Maybe my love will return to you someday,  
or maybe it's gone away...  
And I know we will be apart someday,  
but we always be together...  
forever and ever,  
My love...

# There Is No True Love Without Jealousy

Thought it wouldn't matter  
If we didn't stay together  
And, if it was over  
Maybe it was for the better  
I was thinking I'd be all right  
'Til I thought it all through  
Now, I know that I ain't really living  
If I have to live without you I don't wanna live without your love  
I don't wanna face the night alone  
I could never make it through my life  
If I had to make it on my own  
I don't wanna love nobody else  
I don't wanna find somebody new  
I don't wanna live without your love  
I just wanna live my life with you  
With you

Guess I had to go away  
So much I had to go through  
Guess I had to lose you  
To realize how much I love you  
Can we make the fire burn again  
Burn a little stronger?  
'Cause I've been alone, and, baby  
I can't be alone any longer I don't wanna live without your love  
I don't wanna face the night alone  
I could never make it through my life  
If I had to make it on my own  
I don't wanna love nobody else  
I don't wanna find somebody new  
I don't wanna live without your love  
I just wanna live my life with you If I had to make it on my own  
My life would never be the same  
My love would never be the same

I don't wanna live without your love

# Valley Of My Heart

Girl,  
please listen to my heart...  
How come you broke my heart...  
All my everything had broken...  
You never needed me anymore...

Everything seems right,  
whenever my night is lonely without you...  
I can't love another when my heart somewhere...  
Along with you,  
You took my heart away...

I regret to all the thing I've done...

I hope you don't search a man like me...  
I'm not a perfect man like the man you love...  
My love is not perfect without you...

It is a valley of my heart,  
place where the pain in my life...  
Place where I keep our old stories that I want to forget...

## Very Deep Love...

I love you not because of who you are...  
no man and woman is worth your tears,  
and the one who is,  
won't make you cry...

The worst way to miss someone is,  
to be sitting right beside them,  
knowing you can't have them...  
Never frown,  
even when you are sad,  
because you never know,  
who is falling in love with you smile...

# Will You Forget Me?

The smooth whisper,  
blowing in the wind,  
To let you know  
it is my voices  
Calling your heart,  
comeback to me....

I'll always missing you  
since you gone away,  
and I never know,  
what make you run away.....  
You're never know  
how much I love you,  
and will you forget me?

It's empty.....

are the only special one,  
and the only that I love..

you're the treasure  
in my life...

You,  
are the one that in my heart,  
and the only wonder in my world,  
And my heart really sings
