Alone

Im alone
sad and hopeless
can't resist or fall in unbeknown
hide my truly me~Im not mindless

You can show me the sunshine
but oneday will you throw me away
I don't blame you it is your decide~your way
but my feeling is tied again no-one can them unchain

ZeGaLa Nobody

By My Side

Salty lake
true above life
everything i hate
only way throught is dive

whole world of prosperity
whole side of eternity
nonending cruel war of souls
full world of powerful bounds

nothing exist
with you by my side
no bounds aren't enough tight
no with you by my suffering side

ZeGaLa Nobody

Destiny

The sight~horizont of sea
nothing left behind
one without another aren't we
we end with useless delight

I trusted you once only
my fault was that~sorry
vociferous souls suffering lonely
nothing is for warriors their glory

nothing if they haven't anyone
bones into dust and mist
anything written in list
is destiny of born for everyone

ZeGaLa Nobody

Dream Catcher

Enough of pain
my soul goin vain
I understand i can
we are all in devil den

We can try run away
but we can't
he own this land
so just keep pray

ZeGaLa Nobody

Dreaming

I just wanna see
how i fly and fall
i just wanna be free
this i want it is all

that fire i feel
it burning me like beam
but it all is surreal
within my life in dream

can i stay one more day
this land is just mine
why i must go and stay
just for sunlight and his shine

ZeGaLa Nobody

Fire

Lighting the fire
warming hands
smoke signals
into heaven dive

Nobody understand
my simply cipher
for my uniques i can't stand
im alone and fighter

Maybe one time
i will be one of all
absorbed by my own fire
and all of me into fall

ZeGaLa Nobody

Flower

Petan of beauty
the flower of god
no-one is that cruelly
with love i've got

Curves almost blue
greenly silver leaf
i belive you we can't leave
me or any part of you

ZeGaLa Nobody

Graveyard

I was there
I can still hear their falling tear
voices of death which screams on me
wings of angels by golden maybe
they advising me way and where
and now I too by panic scream

I hope in end of bad dream by time
that one where I 'm convict
how much feather from shine
I must collect to silence voiceless
what people see on it
that much of them hopeless

stone columns full of stories
years of dreaming and lifetime
days completed from pieces
and flowers extincted in time
heaven isn 't here other
just dreams of gods former

ZeGaLa Nobody

Hrbitov

Byl jsem tam
porád je slyším
hlasy mrtvých co na me kricí
krídla andelu ze zlatého perí
radí mi kudy a kam
ted i já panikou kricím

Snad casem skoncí zly sen
ten ve kterém jsem uveznen
kolik zlatych per
posbírat musím abych je umlcel
co na tom vidí
tolik zoufalych lidí

Kamenné sloupy plné příběhu
léta zivota a snení
dny složené z kousícku
a kvetiny vyhaslych
nebe tady není
jen sny bohu byvalych

ZeGaLa Nobody

Nameless

The longest way
straight middle of hell
on end of crazy day
you decide you done well

Your only chance
maybe last nameless
will give you resistance
but you can't be hopeless

ZeGaLa Nobody

Rose

Piece of cloth
on the rose
choosing pose
for night moth

Nymph of forest
gave her red
and without bed
pray for a rest

ZeGaLa Nobody

Souls

Swear for me Blue
Our stories aren't true
Untie me from the chains
Lie is around and out of us drains
Souls in fact innocent

ZeGaLa Nobody

Thanks

Thank you for listening
thank you for cheer
for having mercy with my feel
for being at my hearth opening

For your honest face
sweet cheerly words
'It will be better next days
you're not alone you have me~the whole worlds'

It wasn't necessary~it isn't pitty
it was indeed more than pretty
I owe you my thank
Im no more blank

ZeGaLa Nobody

The Hug

Soft bed enough for me
Something wrong behind me and you
Come here come close to free
me my warm hug of dreams cruelly true

world full of ideals
nonsense faces on cheeks
humans border of ideas
and flies with life of freaks

Hug the non-ending story
our souls in one is together
with love in weather vociferous stormy
nothing can hit us no if we are together

ZeGaLa Nobody

The Lie

The lie like sharp sting

beauty for one

hell for other done

someone evil to home that bring

for the first look

for everyone its good

maybe results will help

no one will get perk
